Irina,

Have a great summer.
I know I'll see you at
practises but that's different,
(it's work) and I hope you go
to Band Camp. That will be
great if Mr. J. doesn't watch
us the whole time. We've got
to have some fun.

I hope we get some classes
together next year.

Take it easy,

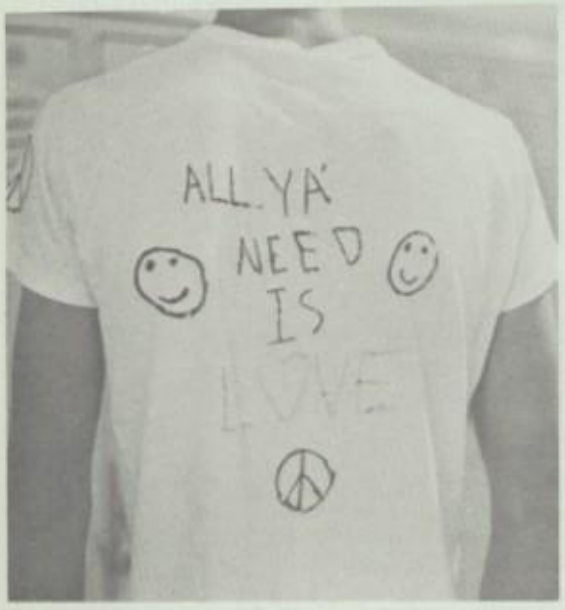
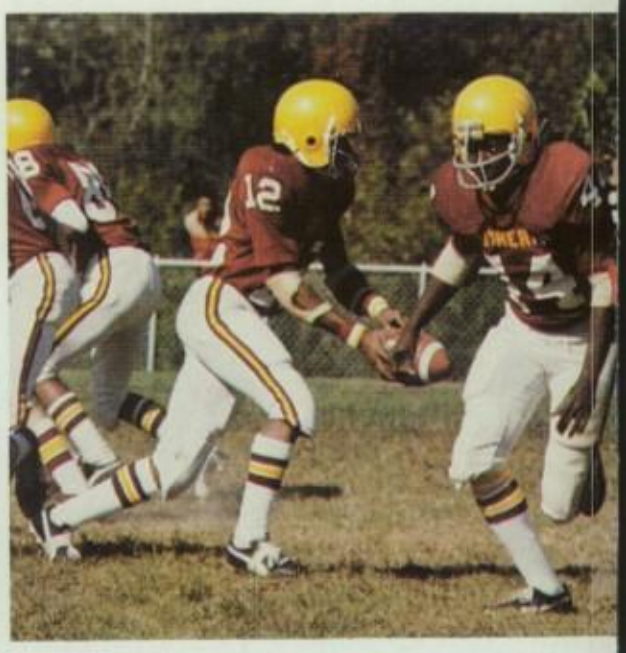
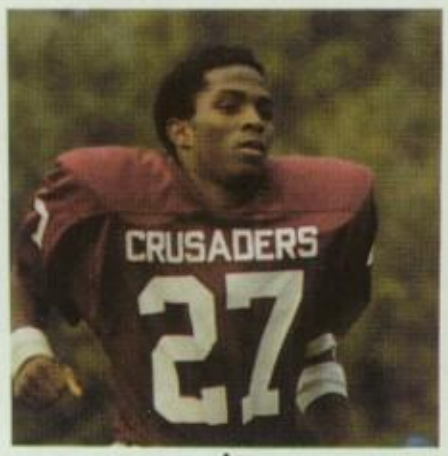
Spirit Week

Spirit, that feeling that we hold in all year, surfaces during Spirit Week and causes everyone to stand up and give a cheer for their teams. This year's Spirit Week was headed off with 50's-60's day Monday, Maroon & Gold day Tuesday, Dress Up day Wednesday, and Theme day Thursday. The theme of Spirit Week was "Once Upon A Time."







CRUSADERS

Before the game, the drill team and marching band marched down on the lower field with the homecoming queen, Lori Prentis and her court close behind.

At the beginning of the game, the Varsity football teams record was 2-1. Little did Rosery know that they were about to be crunched by the "Mighty Crusaders"! By half-time, the Rebels had fallen behind by 20. The score was 20-0! After half-time, the Crusaders came back on the field with the feeling that they were going to finish the Rebels off . . . and they did! The final score was North 29. Rosery 0. Thus clinching a victory for Homecoming '81!

Variety Show

October 2 the annual Variety Show was held. Denise Wilkins announced all of the acts this year varying from singing and dancing to the long awaited Senior Skits! After the Variety Show, the Cheerleaders, Drill Team, and Pep Band gave us an exibition of their talents through a Pep Rally. The highlight of the night was when Homecoming Court was announced.

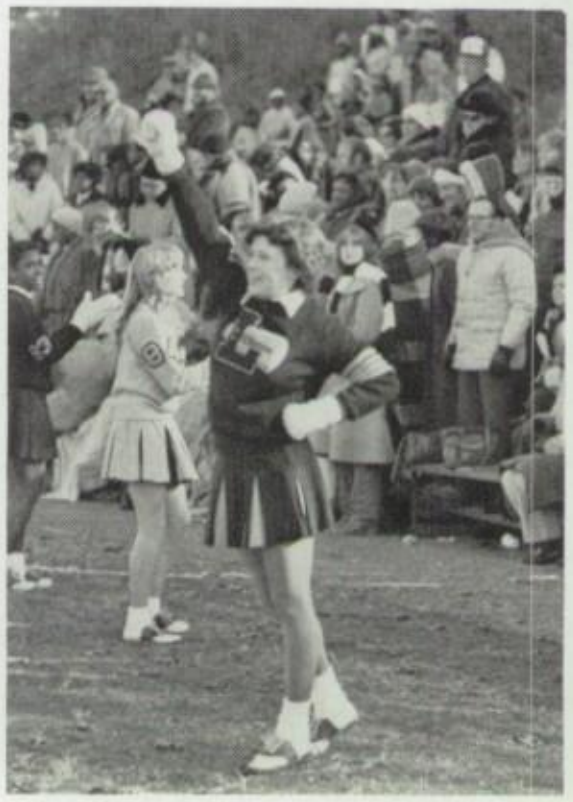
Honor Society

This years' Honor Society is sponsored by Mrs. Thomas. The officers are: Jerome Meyer- President, Paul Fackler- Vice President, Sara Mohme- Secretary, Brian Umbach- Treasurer, Chris Bonnard- Social Chairman, and Carl Mohme as the Service Chairman. To be in the Honor Society, one must meet certain requirements. A few of these are to have a 3.0 grade average (at least), one must also have leadership qualities and show leadership in school and in the community, one must perform certain services, at school and at church. This Spring, the Honor Society is hoping to have a blood drive that they will organize. This was also the first year sophomores were allowed in the Honor Society.



Student Council

Student Council is made up of four different commissions and an executive board. The four commissions are: Welfare commission, School Policies commission, Activities and Assemblies commission, and the Social commission. Basically the Student Council together acts as a voice between the students and the faculty, and vice versa.

Pep

This year's Pep Club is sponsored by a new face here at North, Mrs. Peggy Reinch. Pep Clubs goal is to unify the Student Body through cheering and supporting their teams. Pep Club has been very busy this year, buying Pep Club T-shirts, making buttons, posters, signs, and they also took charge of the Pep Rallies. Good job, Mrs. Reinsch, for giving North something to cheer about!

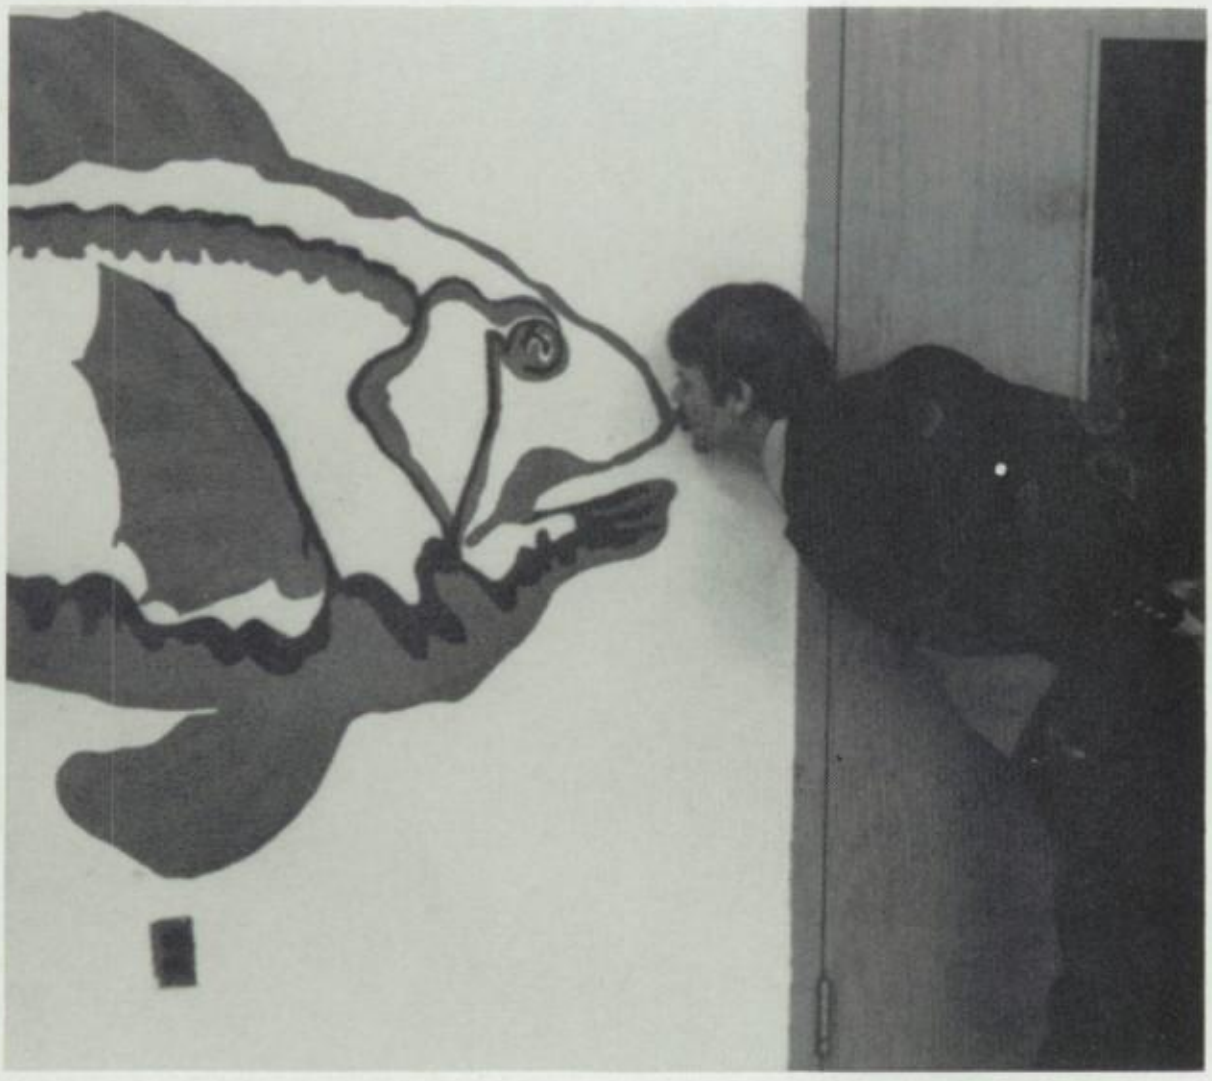
What is the Lettermen Club?

It is a group of North's athletes who get together and often sell refreshments and tickets for home games. "L" Club members also direct cars for many home football games. They also helped Mr. V during the girls Christmas Tourney.

Who is eligible for "L" Club?

Anyone who has participated in any sport and has earned a V Letter. The dues are $1 which is only paid once and after that you are a member for life!!

The Art Club also designed the programs for the Christmas concert. During the Advent season, the four large candles that hung behind the chapel speakers were made by Karen Humphry and Lois Gornet.



The Art Club, headed by Mr. Richenb been working on what seems to be tremely difficult project. It's called "F the 5,000" and it is being painted c lunch room wall. Peter, David, and Fackler, Sarah Mohme, Melissa Altevog, Doug Cheatom, Mark Tucker, Troy Gastler, and Mr. Richenburg all helped draw or paint the large mural.

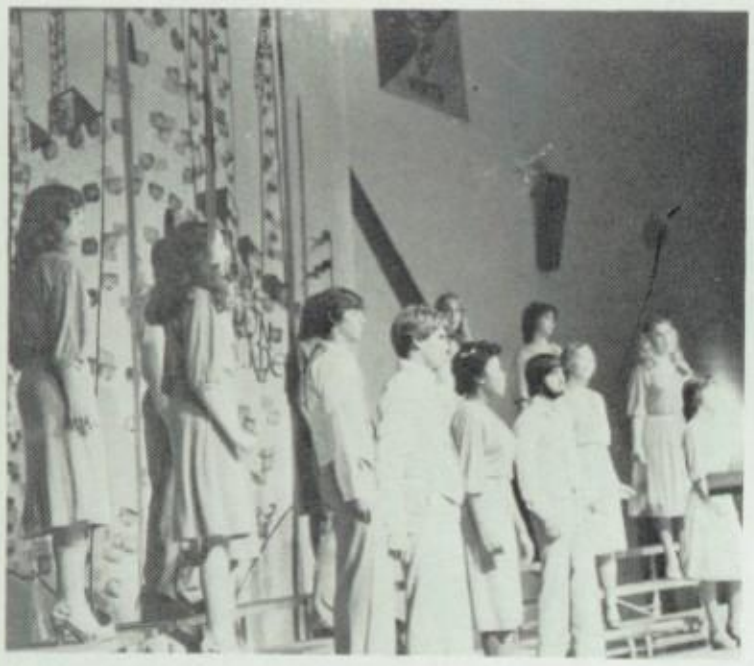
The 1981-1982 Yearbook class, sponsored by Mr. Tirmenstein, has been very busy this year, taking pictures, collecting data, and meeting deadlines. The staff, led by Debbie Reynolds, worked very hard this year highlighting the activities of school life at L.H.S.N.

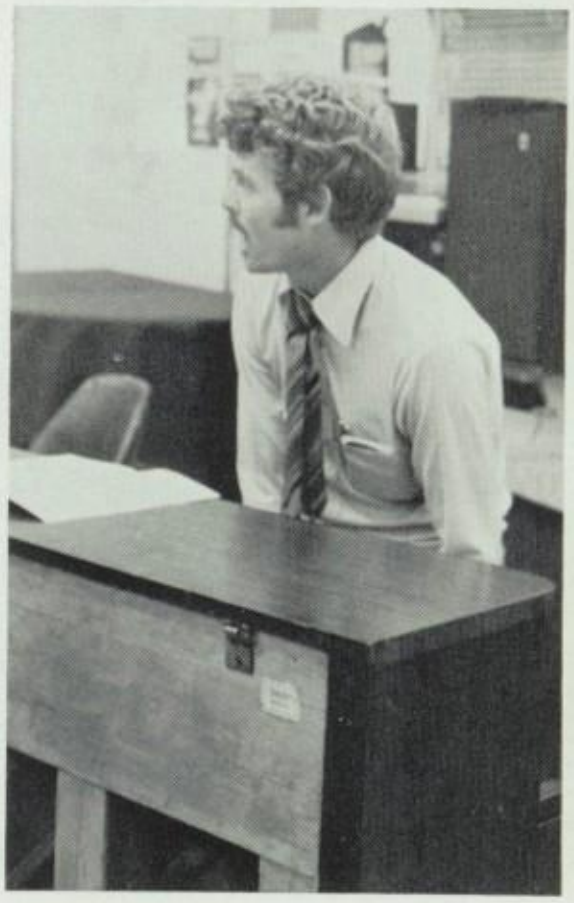
YEARBOOK

COURIER

Where do you go when you want to find out the latest news here at North? Of course, the Courier! The Courier, sponsored by Mr. Hartwig, keeps students up on current events here at L.H.S.N. This year the staff is concentrating on a central theme, with more feature articles and less sports.

MUSIC 82





And The Beat Goes On

Beginning Band is a class taught by Mr. Steve Tirmenstein, for students who have little or no experience in playing a musical instrument. The few students who are in band this year learn to read music and to identify different types of musical notes.

Intermediate Band is also taught by Mr. T. Unlike Begining Band, Intermediate Band is for the students who have some kind of music background.

VARSITY FOOTBALL

The 1981 Varsity Football team really proved that they were No. 1 this season. They had only one loss this season, and that was to Mercy. As the season went on, the Crusaders shut out almost everyone they played. At the Country Day game, everyone was very excited because they thought Country Day was a good team, but North ran away with another victory.

At the end of their regular season, their record was 8-1. That record took them ino the District Playoffs, which they played against Bowling Green . . . and won!

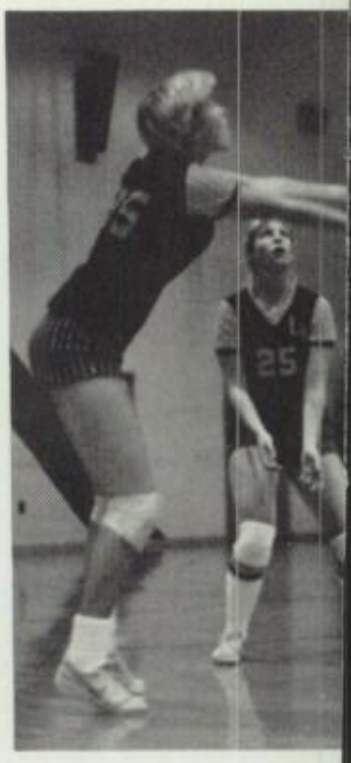
The Cross Country Team did fairly well this year. They beat John Burroughs 28-29 in the ABC League. Also, Tim Potter, Joel Mueller, Jimmy Williams, and Tom Zyk placed 4th, 16th, 30th, and 33rd respectively, in the ABC League meet at Priory. Mr. McCollister thought that this years' team wasn't up to what teams in the past have been, but as a whole they didn't do too bad. The team was also a bit larger this year, with freshmen Tom Zyk, Jon Moore, Duane Johnson, and junior Timolin Maclin joining the team. Mr. McCollisters' hopes for state this year were: Tim Potter, Joel Mueller, and Jimmy Williams.

Girls Tennis

Has tennis taken a turn for the better? Mr. Bullock, their coach, thinks so! For the first year here at North — the sexes have been divided. The girl's tennis team had a rough course to travel this year, being their first year. The overall record for the girl's season was 1-7, their only victory against Riverview. Contributing much to the leadership of the team were Captains Jackie Barrett and Andrea Huber. Carolyn Meinecke was ranked the number 1 player on the team and Christie Rairden won her first match in Districts.

Front row: Madeliene Hubbard, Holly Steele, Carolyn Meinecke, Andrea Huber, Jackie Barrett, Juanita Boykin. ***Back row:*** Mr. Bullock, Sandra Darden, Maurnice Tipton, Krista Mosby, Kaye Klotzer, Christie Rairden

Varsity And JV Volleyball



The 1981 Varsity Volleyball team played their hearts out this season. Coached by Barbra Klingsick, the girls put in all they had in each game.

When they went to the Jennings Tournament, the girls gave it all they had but could not hold off the Warriors.

At the Troy Invitationals, the team brought back a 3rd place trophey. This was the second trophey they brought back from Troy in 4 years. They won a second place trophey the very first year they participated!

Bottom Row: Delpha Schulz, Becca Schlutere, Becky Kammeier, Chris Bonnard, Wendy Lee, Lori Prentiss, ***Top Row:*** Barb Klingsick, Coach, Sandy Ameiss, Pam Booker, Julie Ahlbrand, Sarah Hohenstein, Kore Borgmann, Djuana Watkins, Margie Woolbright, Manager.

Front Row: Grace Meyer, Lisa Jungkuntz, Kelly Baybo, Janet Buddeke, Sue Robinson, ***Back Row:*** Coach Richenburg, Marion Daniel, Julie Fish, Kim Guthier, Ronda Martines, Tanya Pralle, Mary Hunning, Shauna Reitz.

Postiive Mental Attitude was the theme of this years JV Volleyball team. With Peter Richenburg as their coach, JV started off each game in a huddle saying, "P.M.A.! P.M.A.! execute P.M.A.!

Coach Richenburg doesn't stress winning, but he does place a large amount of his coaching time on skill and acheivement. JV is a young and experienced team of players who, will no doubt, make a great varsity team. "P.M.A. reflected itself in each player," says coach Richenburg. "With P.M.A. winning takes care of itself.

Varsity And J.V. Soccer

This year's Varsity Soccer team did not do as well as they would've liked to, although they did win against Metro East Lutheran School 3-2 and in a tournament later in the season, beat Northwest by a score of 1-0. They also tied The Principia with a score of 2-2. Coach Terrass thought the team was not up to what teams in the past have been but they did work together as a team and learned a lot. He hopes that next years' team will be much better, and will utilize the skills they obtained throughout the season. All in all, they played with a Christian attitude and that's what counts in the long run.

Bottom Row: Robert Williams, Andy Hanneken, Chris Fritz, Doug Perley, Eric Thomas, Eric Stalhut, Steve Faser, ***Top Row:*** Paul Williams, Rob Watkins, Warren Hauck, Boyd Hoffmeister, Jerome Meyer, John Blumenkamp, Pete Fackler, Coach Terrass.

This years' B- Soccer team did a bit better than the Varsity team did, in terms of winning games, anyway. According to some of the teams' players, the team captains, Dave Hoehne, and Dave Gehm, worked together and showed a lot of effort needed to keep the team going. One of the players also stated that the team was playing well together, but that they just weren't scoring enough points. They did, however, show a lot of team effort, cooperation, and speed.

Bottom Row: Terri Skrien, David Hoehne, David Gehm, Joda Covey, David Braccato, Andy Klein, Robert Meldy, Gary Winkler, ***Top Row:*** Bill Wasmuth, Rick Baricevic, Gary Knight, Leslie Terrell, Scott Ladesma, Jim Taylor, Kore Borgmann, Brett Groennert, David Fackler, Greg Cheatham, Coach Terrass.

The Varsity Basketball Team got off to a rather slow start this season.

The guys had not been playing like much of a team earlier in the season. When they did finally get a hold on themselves, they played a tough game against Cardinal Ritter.

Even though every game wasn't won, the guys played their best even when they were not winning.

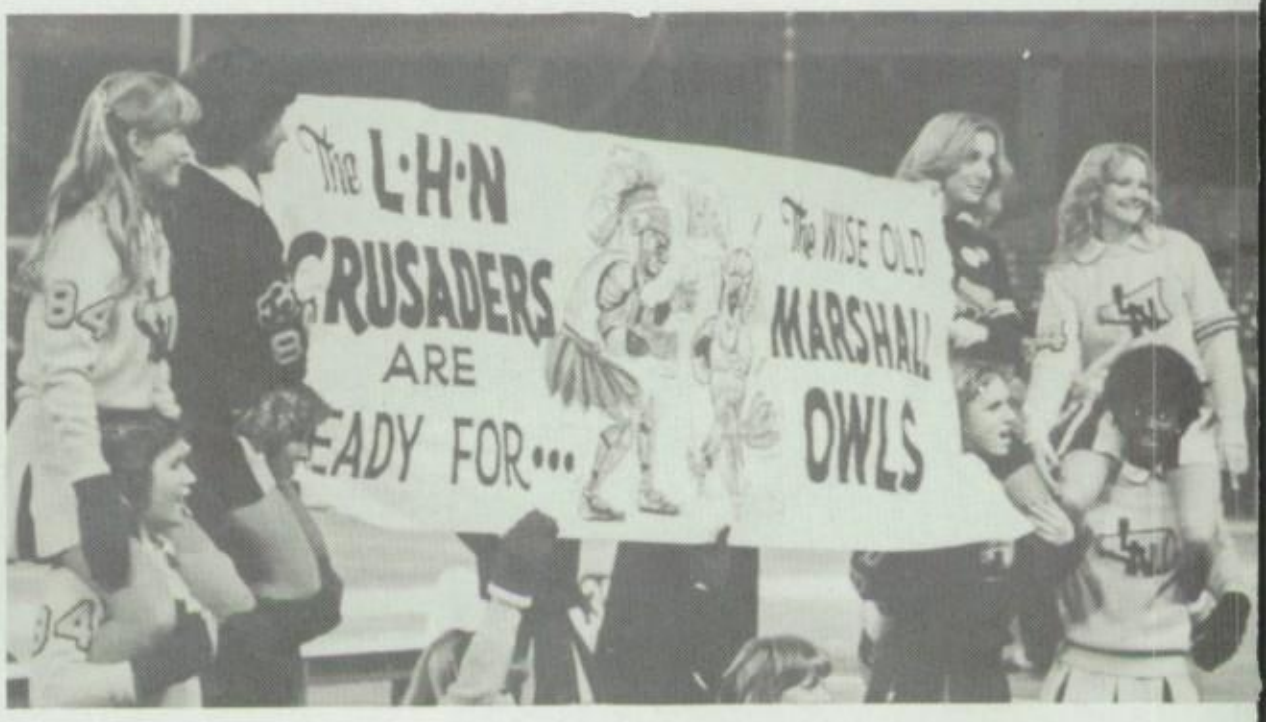
The Varsity Cheerleadering squad led by Senior co-captains Lynn Groennert and Teri Schoelle experienced an exciting and dynamic year. One of the highlights of the year was being able to cheer the team onto a State Football championship in Busch Stadium.

One of the goals of all the squads this year was to build a more positive working relationship between the squad, the crowd, and the band. Positive steps were made in that direction this year and the cheerleaders hope to encourage more support for their teams in the years to come.

Varsity Cheerleaders: Becky Kless, Teri Scholle, Suzie Glascock, Sheila Price, Amy Brown, Lynn Groennert.



B Cheerleaders: Kathy Murphy, Michelle Callanan, Kim Patton, Kim Joyner, Liz Hollrah.

C Cheerleaders: Lisa Harrison, Stacy Gatewood, Jannelle Jeglia, Connie Sabo, Karen Thaller.

This year's Drill team is headed by Mr. Tirmenstein. They entertain us here at North at home football and basketball games, as well as at other localities, such as Busch Stadium, when they performed for the crowd at the Cardinals/Redskin football game. They then entertained the spectators at Busch again for the Show-Me Bowl. Mr. Tirmenstein stated that the squad was considerably smaller this year. He also stated that the squad had really been working hard since they started their practice in July of 1981.

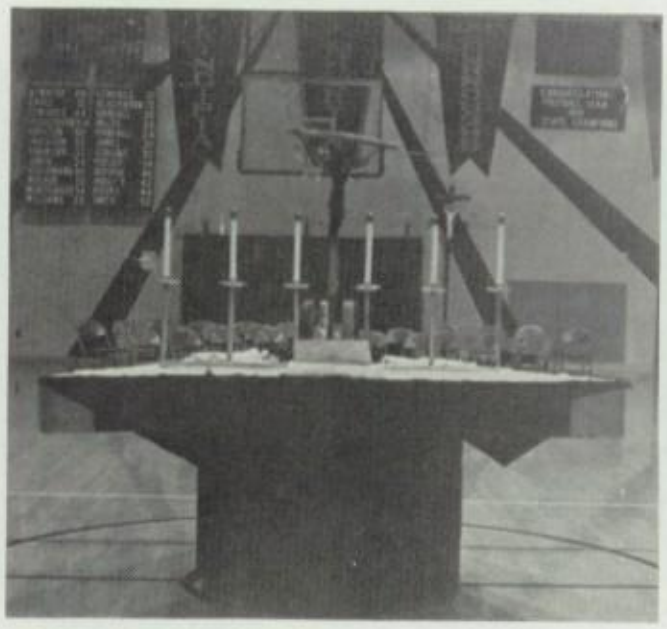
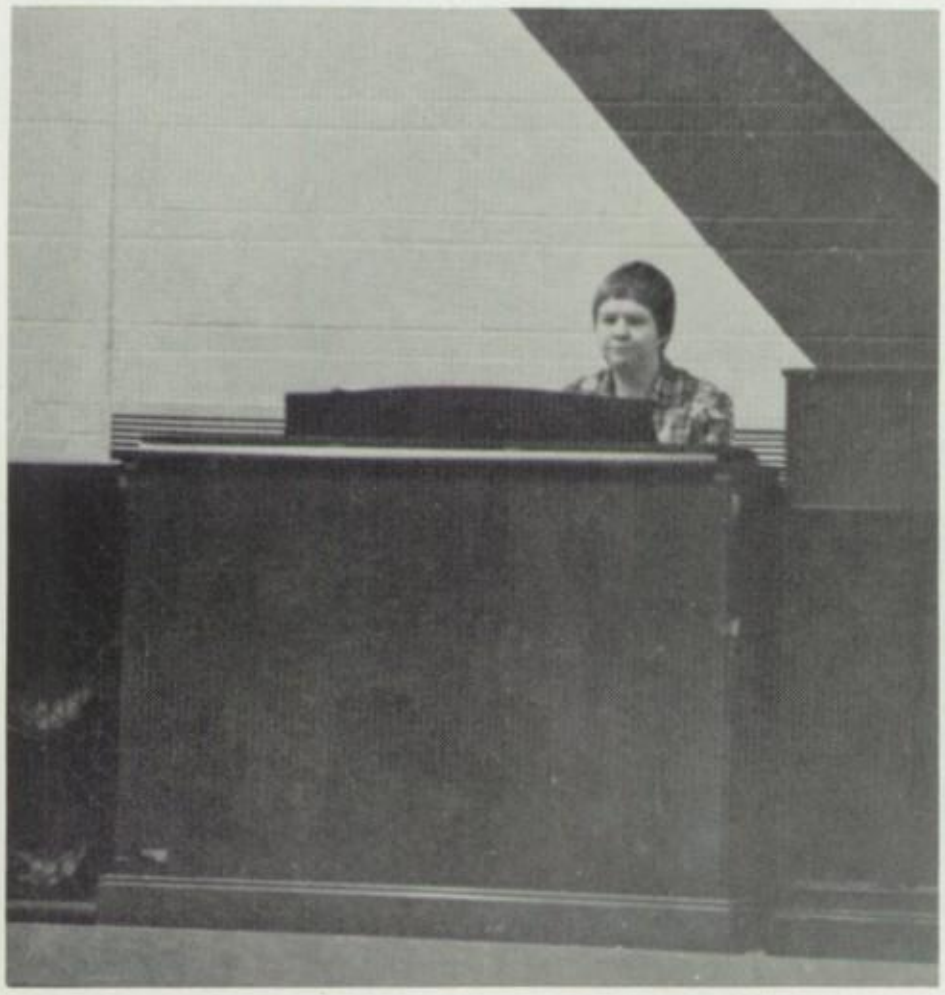
Oh, Come All Ye Faithful

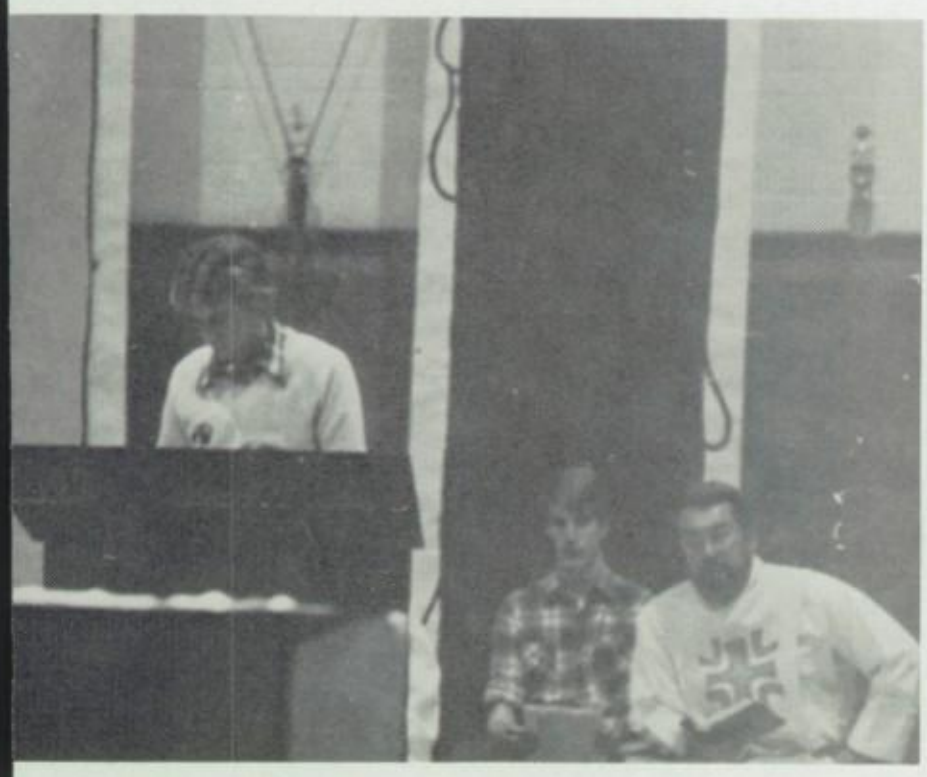
At the beginning of each day at North the student body, along with the faculty, gather together in the gym for the chapel service.

As the acolyte begins his path to the alter to light the candles, everyone settles down and the service begins.

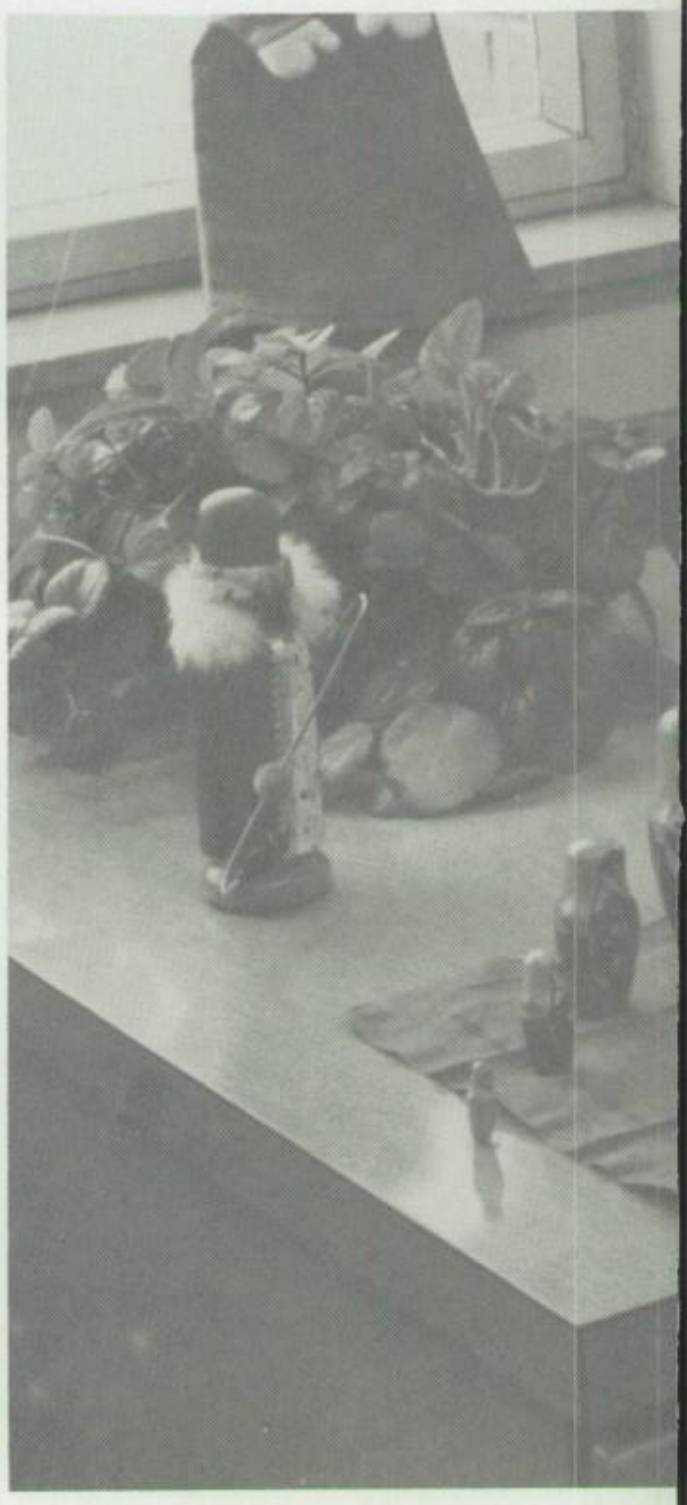
Each chapel service is lead by the members of the faculty, guest speakers, or special guest.







Christmas Time At North



Christmas is a joyous time of year for everyone, right? Especially around North this year.

Homeroom 109 won the Christmas decoration contest and homeroom 219 won the annual can food drive.

On the day before Christmas Eve, all the homerooms had parties. After that it was time for chapel. Pastor Fehl was our guest this year and as usual, the band played. The freshmen and new students had the chance to experience their first Christmas chapel here at North and the seniors . . . their last.

Library Aids: Kathy Reed, Anne Hollin.

The Aids here at North have many different jobs. Of all these jobs, the most important task is responsibility.

Library aids must check out books for students and also place returned books back on the shelves.

Department aids also have a great responsibility. They must type out tests for teachers, grade tests and also other papers.

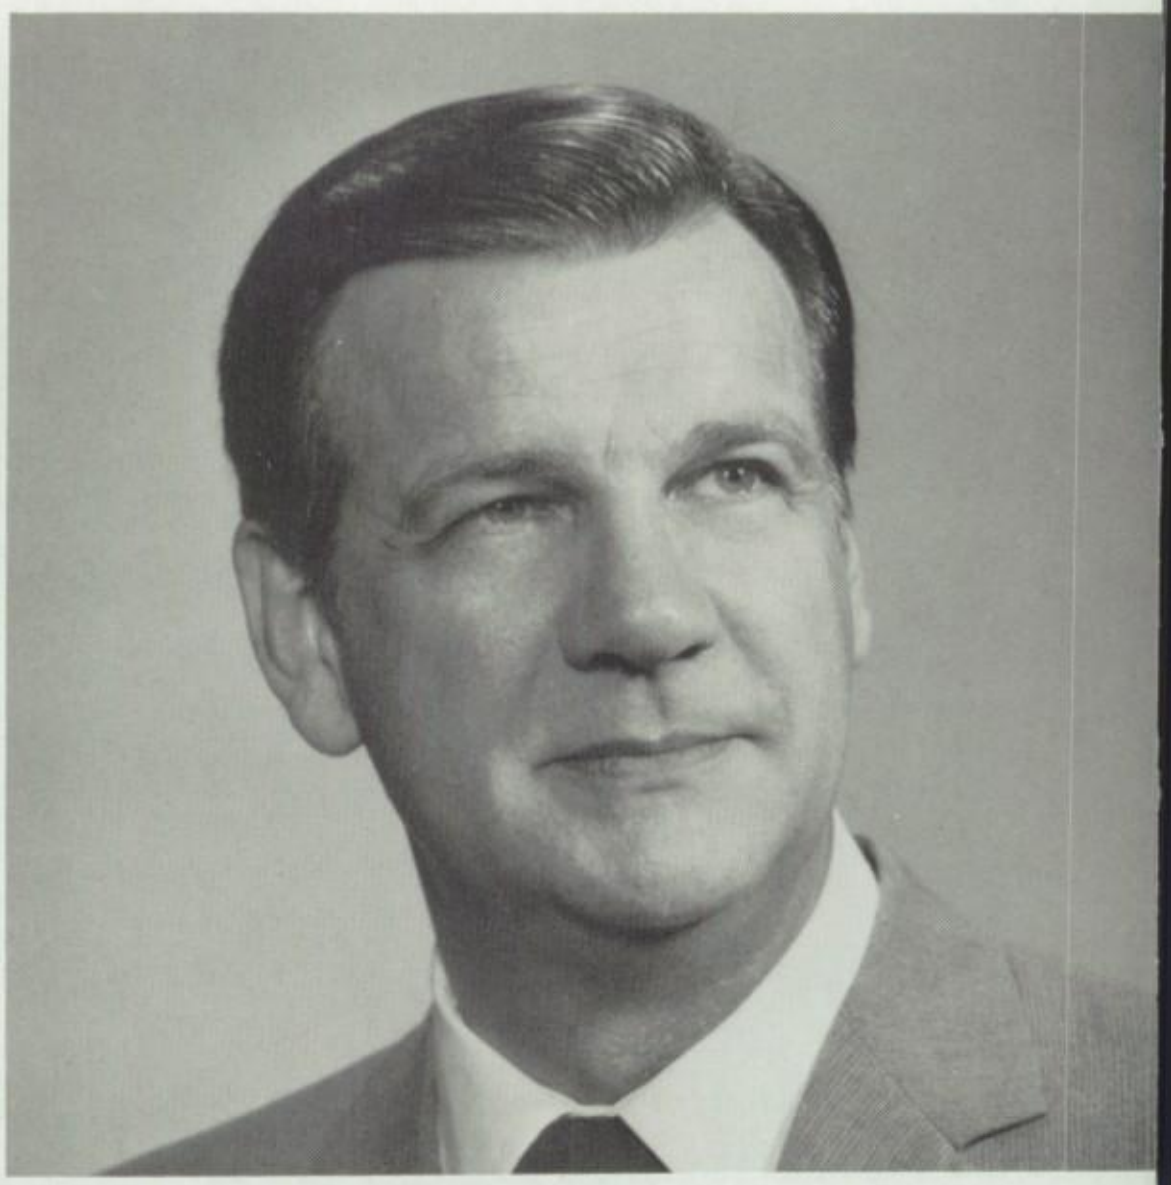
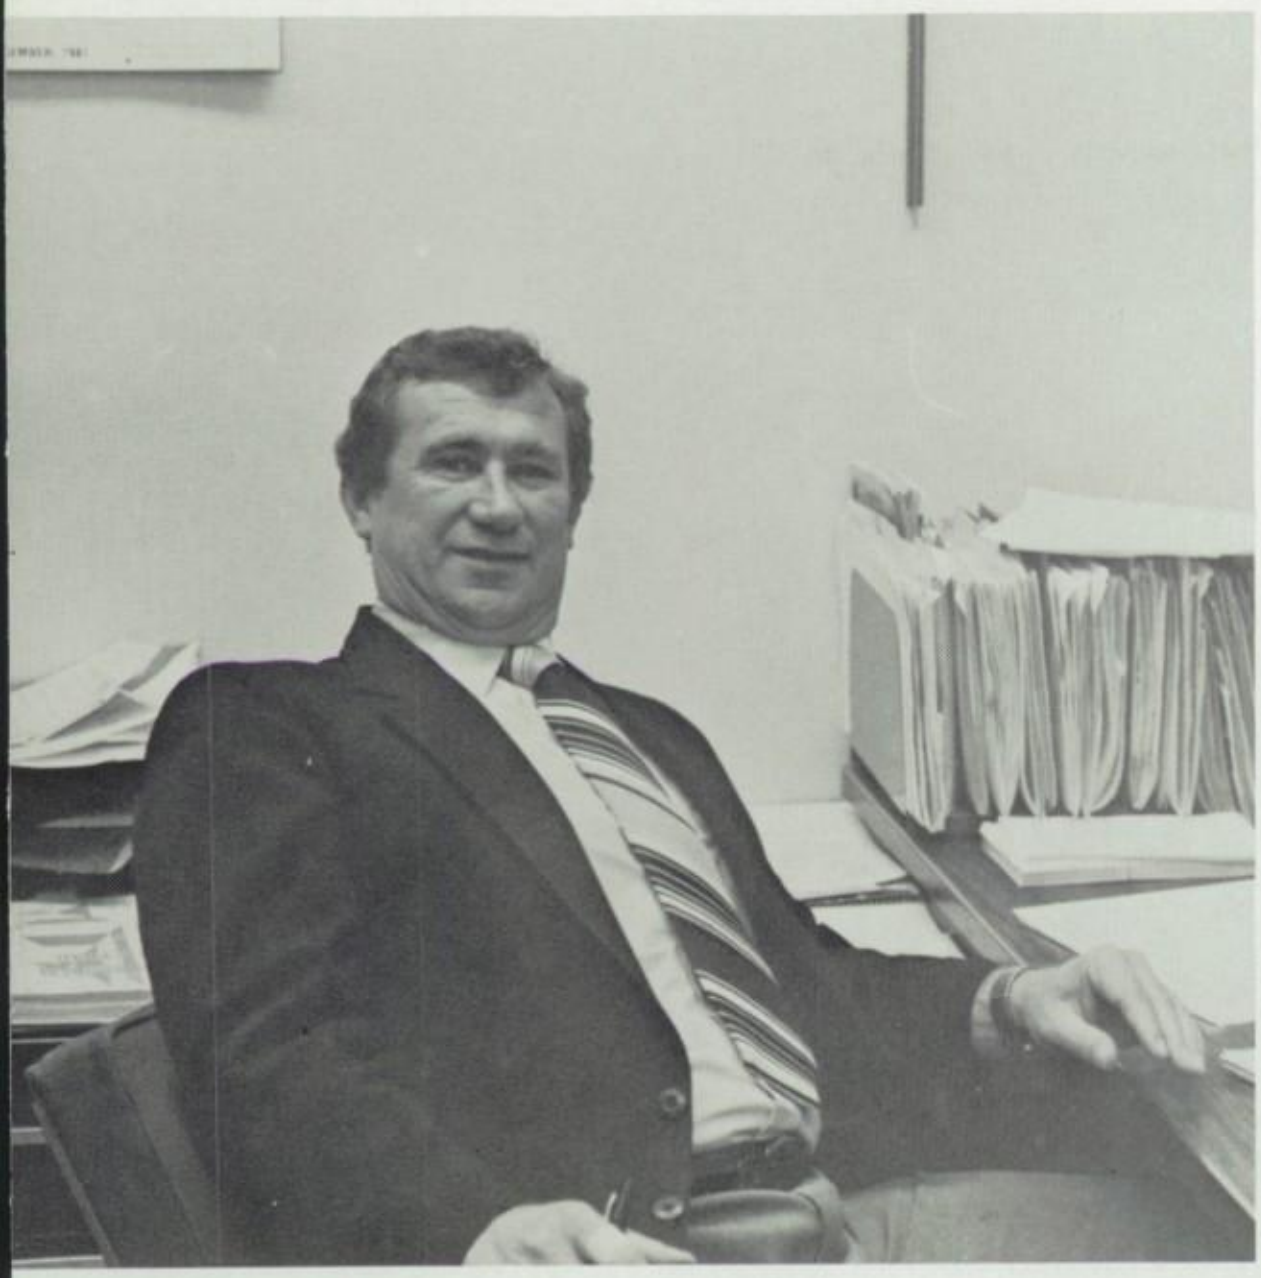
Administration And Board Of Trustees



Doctor David Weisner, the Superintendent of both Lutheran North and Lutheran South is a very well known and respected man. This is for a very good reason. Dr. Weisner contributes wisdom and guidance to this school and oversees what goes on at our school. Graduating from Lutheran Central himself, Doctor Weisner can appreciate all the long hours and hard work that has gone into making L.H.S.N. what it is today.

Bottom Row: Mr. Norman Martens, Mr. William Ahlbrand, Mrs. Melba R. Fanger, Mr. Vernon W. Schroeder, Mr. Richard C. Vie, Mr. Edward A. Striker, ***Middle Row:*** Mr. Bill Scheller, Mr. Paul Warren, Mr. Donald Schuhmann, Mrs. Pat Lilienkamp, Mr. Walter Hick, Mr. Theodore Preuss, Jr. ***Top Row:*** Mr. Mark F. Kuhlmann, Rev. Paul Kiehl, Rev. Walter Hoffmann, Mr. Donald Fick, ***Not Pictured:*** Mr. Gordon Mueller, Rev. Walter Schoedel

The 1981-82 Board of Trustees is a very dedicated group of people working towards a common goal, serving Christ. The Board of Trustees oversees Lutheran North and Lutheran South, helping both communities to bring the parents, teachers, and students closer together.

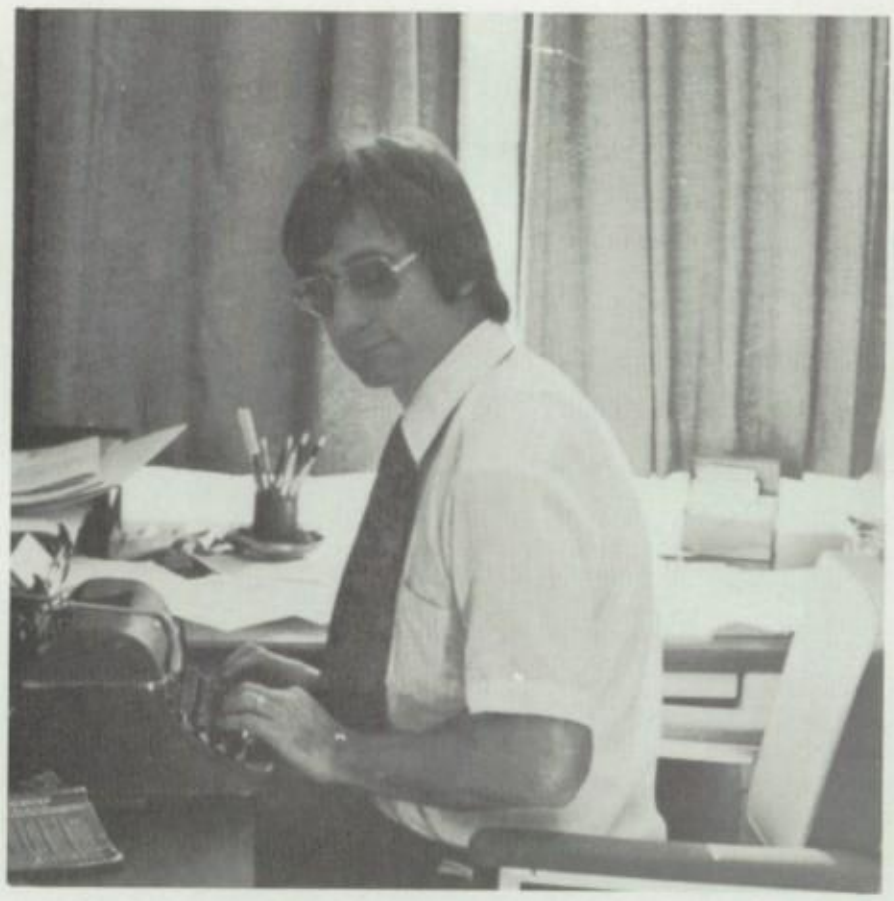


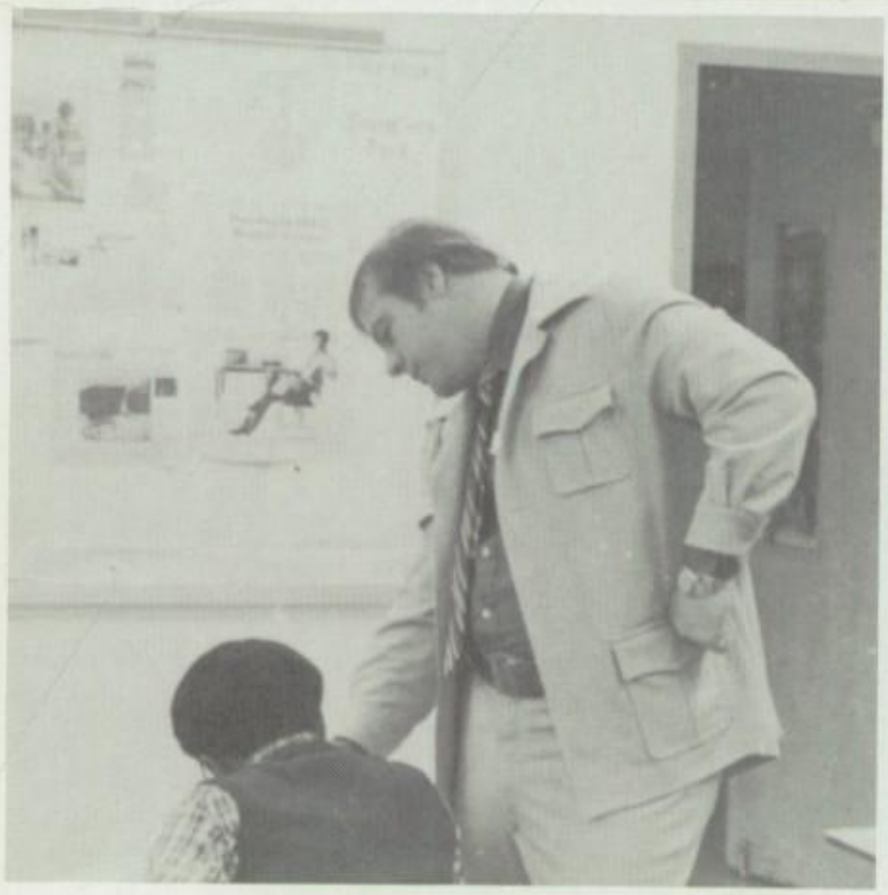
A very important member of the faculty here at Lutheran High School North is our Principal, Mr. Edward Reitz. Mr. Reitz has many important duties, such as: attending faculty meetings, holding conferences with the parents and teachers, and helping the students with their problems. Generally, Mr. Reitz keeps everything in working order and under control, and for this we are very grateful.

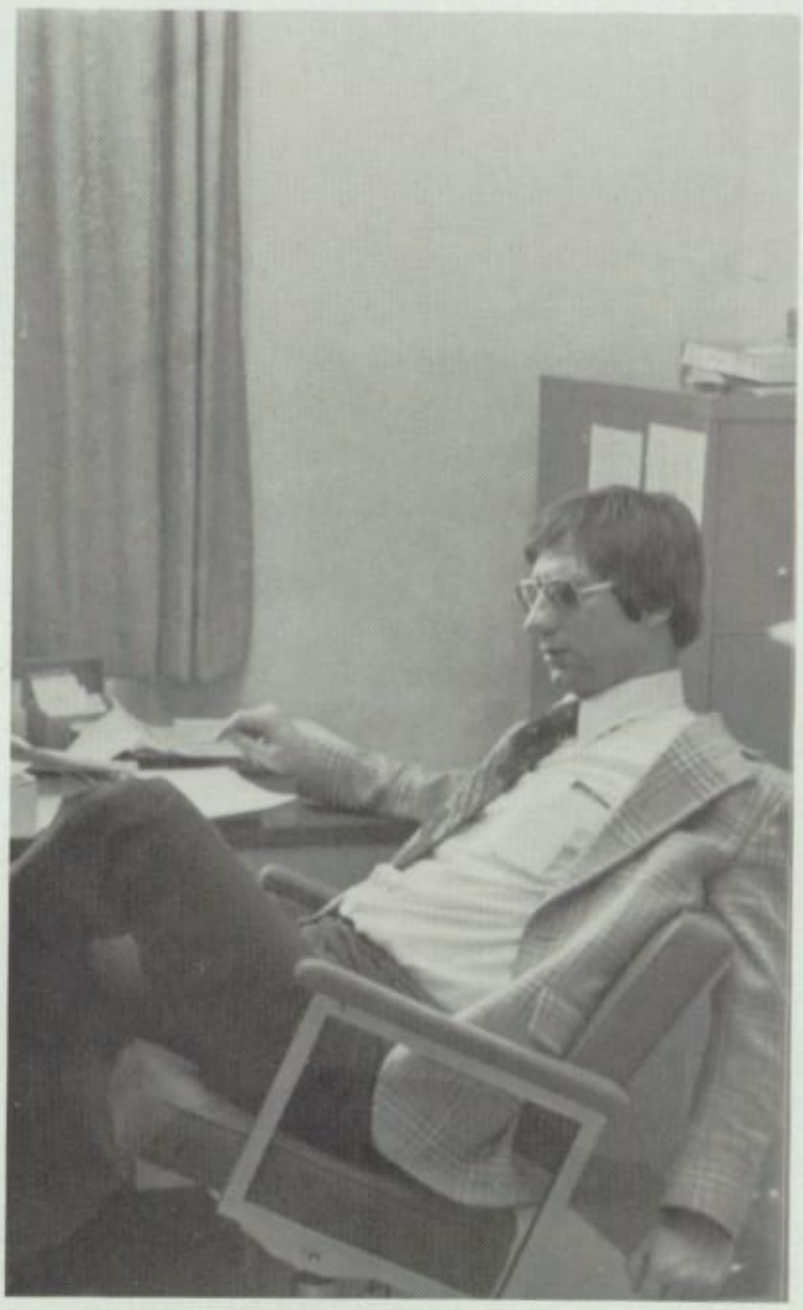
Mr. Craven, one of the special people at L.H.S.N. has many important duties also. As Dean of Students, Mr. Craven communicates between the student body and the faculty. Mr. Craven believes that the students are good "Letters of Recommendation" and he feels he, too, should be a "Letter of Recommendation" as an administrator of the school.

Counselors

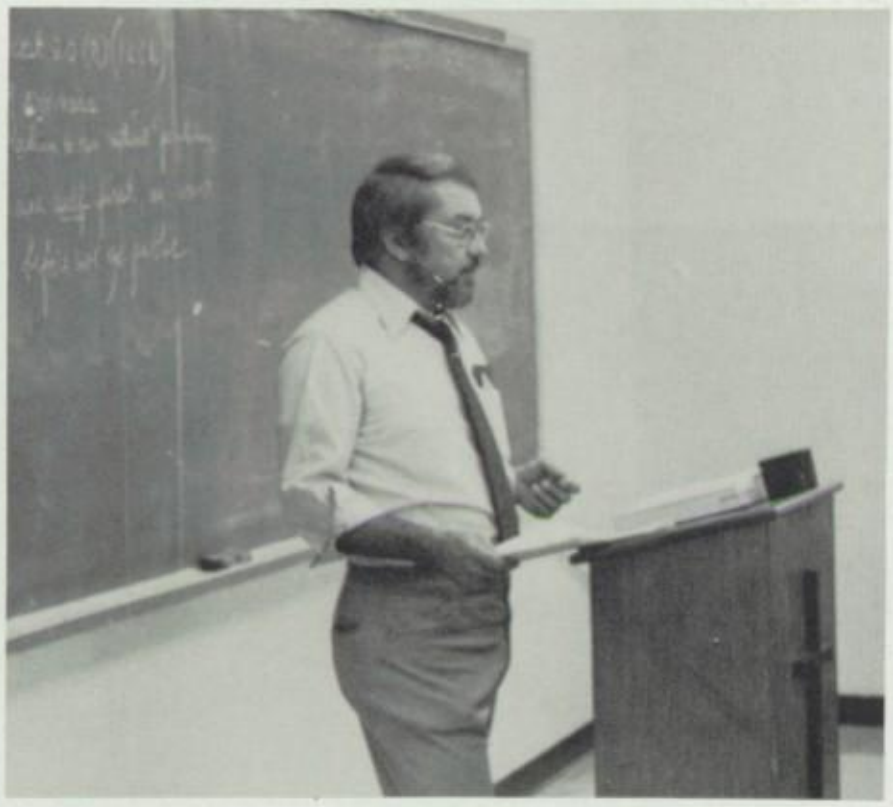
The counselors this year are Mr. Prange and Mr. Holschen. Mr. Prange spends his spare time with his family. They go to ball games and other activities. He feels that since he's not teaching this year, he can spend more time with the students, talking to them and informing them about college and career material. Mr. Holschen deals more with registration, scheduling and student programs than with counseling, although he does counsel students too. Both feel that the Guidance Department has improved this year since last year because of the increasing availability of college and career material.







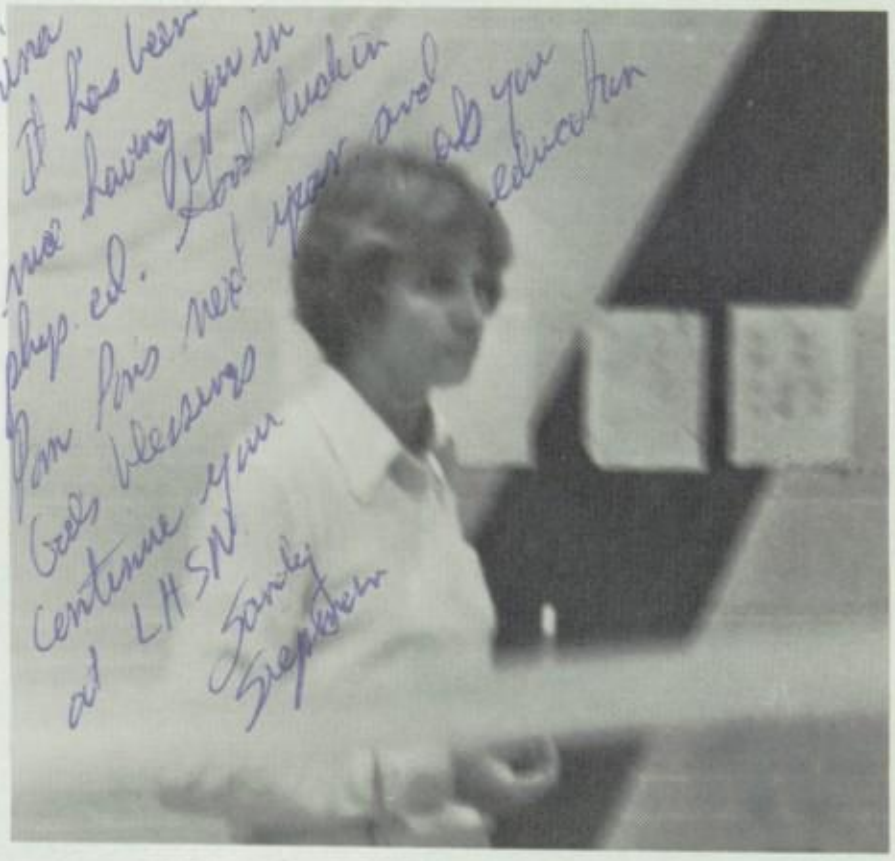
Theology & Phys. Ed.



Pastor Repp has been teaching at Lutheran North as a Theology teacher for over eighteen years. He is known for his dry and sometimes humerous jokes. He is also in charge of the Chapel Committee, and organizes various groups and speakers to host our Chapel services. All in all, Pastor Repp teaches Norths' students about Theology in a way that somehow grasps the attention of the people in his class.

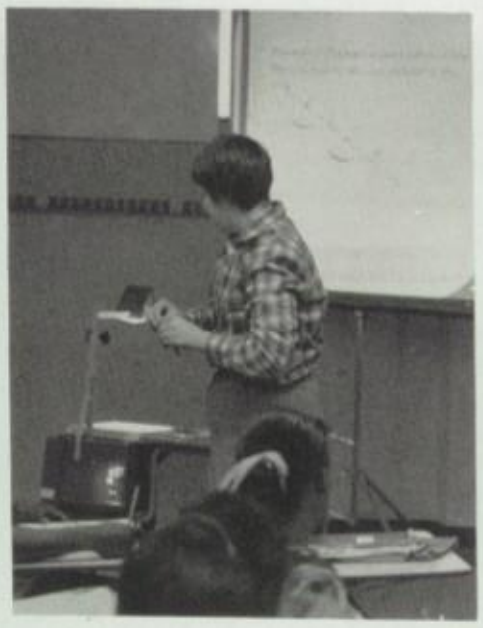
Mr. Bailey, who has been here for three years now teaches Marriage and Family, Old Testament, and New Testament. His hobbies are; watching trains, and building model trains. He spends his spare time window shopping, and fishing. Mr. Bailey was also recently married. As the saying goes, "It's a small world", as it turned out, Mr. Baileys' new mate was a distant relative. Mr. Bailey also stated that he likes History and small towns.

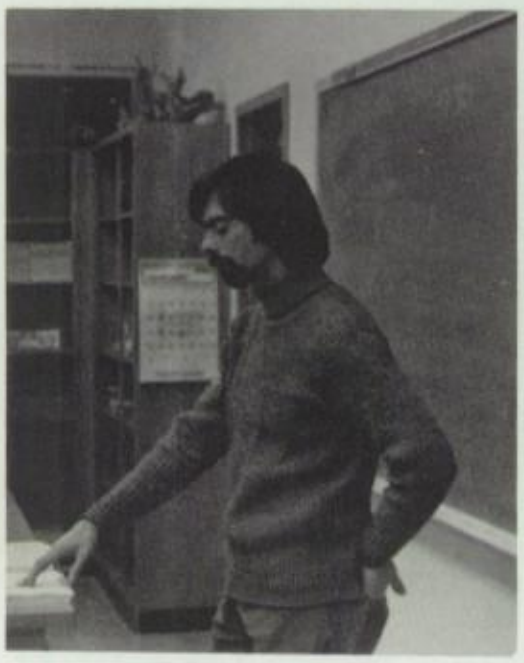
Mr. Russell has been having a very successful year here at Luteran North. Besides being the teacher of boys gym and Health, he is also the coach of the Varsity Baseball team, and the well known Varsity Football team. Mr. Russell began coaching this year's football with hard practices in the middle of August. He then took the team all the way to the Show Me Bowl at Busch Stadium in November. With the help of Mr. Russell, the team won the title of Class 3-A State Champions.



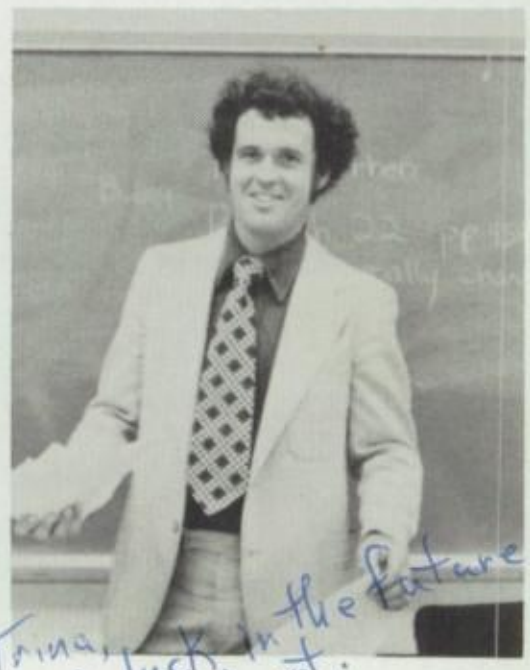
Mrs. Siepman teaches Girls Gym and Algebra. She has been teaching here at North for quite some time now. Mrs. Siepman stated that she spends most of her spare time doing laundry. This is accounted for because of the fact that she recently tied the knot. Her hobbies are; Cross Country skiing, Bicycling, and Horseback Riding. Mrs. Siepman is taking classes at UMSL to get her Masters Degree in Secondary Education with emphasis in P.E.

Math-Science Department





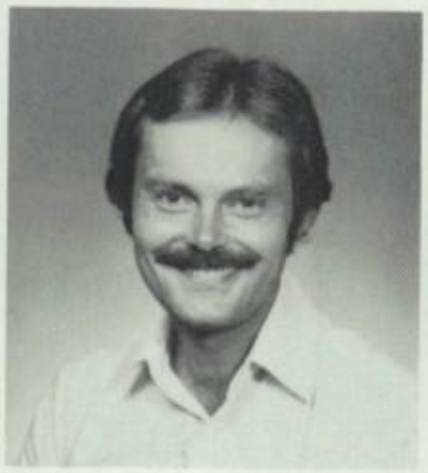
This years' Math-Science teaching staff includes Mr. Holschen; who teaches Math Analysis, and Algebra I, and also helps out with the football team. Mr. Crisler, who teaches Pre-Algebra, Intermediate Algebra, and Algebra I, Miss Klingsick; who teaches Geometry, and Math-Human Endeavor, Mrs. Reinsch; who teaches Trigonometry, Organic Chemistry, and General Chemistry, Mrs. Eggert; who teaches Earth Science, Physics, and Geometry, Mr. Mercer; who teaches PSI, General Science, and Algebra I, and last but not least, Mr. Meschke; who teaches Biology, and Advanced Biology. They all do a good job to give the students here at L.H.S.N. a good education in Math and Science. This years' new teachers in the Math-Science division are; Mr. Meschke, Mrs. Reinsch, and Mrs. Eggert.



Trina, Good luck in the future to a sweetheart. I'm glad I got to know you. Keep the Lord #1 in your life M. Mesch

English Department

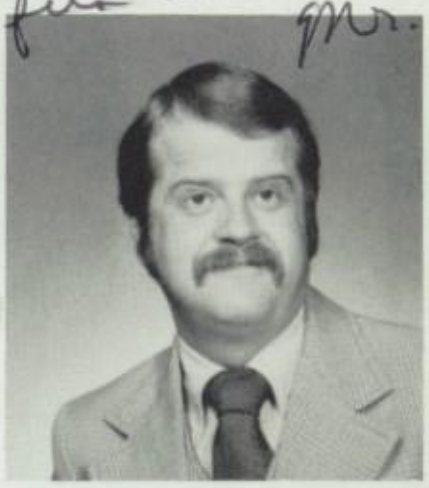
Mr. Hartwig has been teaching at Lutheran Schools for quite some time now. After teaching at Lutheran South in Chicago, Mr. Hartwig came to Lutheran North. His classes this year are; Advanced Composition, English I, Courier, and Early American Literature. Mr. Hartwig enjoys gardening, traveling, and antique collecting.



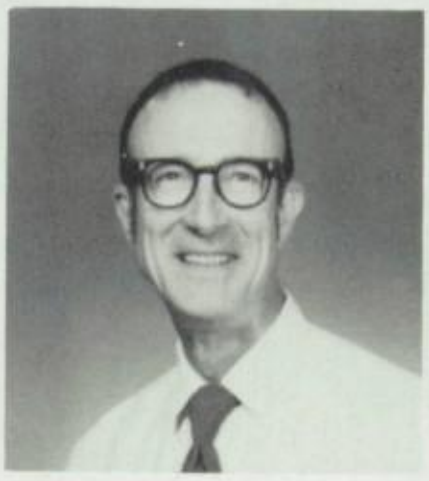
Elizabeth Thomas, who is now in her fourth year of teaching at Lutheran North, teaches such classes as English I, English II, Expository Writing, and Advanced Composition. Mrs. Thomas enjoys playing with her two children, Timothy and Stuart.

Mr. Terrass has been teaching at North for three years now. He teaches English I, English II, and also teaches Literature of Society. Mr. Terrass coaches the Varsity and Junior Varsity Soccer teams. He enjoys spending his spare time playing soccer, basketball, and reading books.

Mr. Koelling is also in his first year of teaching at North. He teaches English I, and German. He spends his spare time Bass fishing and he enjoys Photography. Mr. Koelling is part of the Bass Anglers Sportsman Society. He also stated that he and his wife often go to Table Rock Park to go bass fishing.

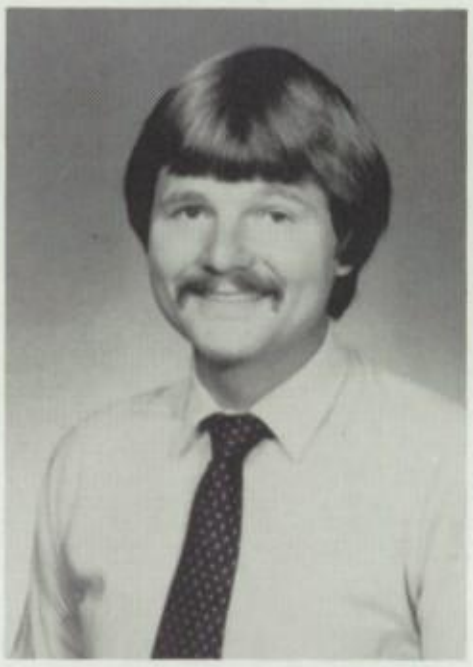


John Hoyer, one of Norths' English teachers, instructs, in addition to English II, Expository Writing, Play Productions, Advanced Composition, and Communications in Modern Life. Mr. Hoyer enjoys such activities as Woodworking, Whittling, Photography, and of course he likes to read!



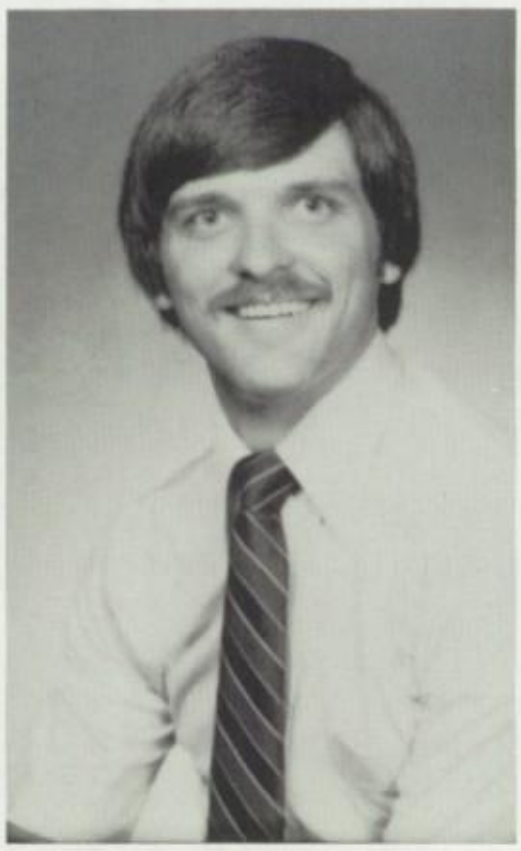
Mrs. Hayes is a new teacher this year at North. Before coming to L.H.S.N., she taught French at Lindbergh High school. She is going to Webster College to get her Masters Degree in French. Mrs. Hayes enjoys playing Tennis, reading books, and listening to music. Some of her favored groups are Kenny Rodgers, and Barry Manilow.

Social Studies And Special Ed.



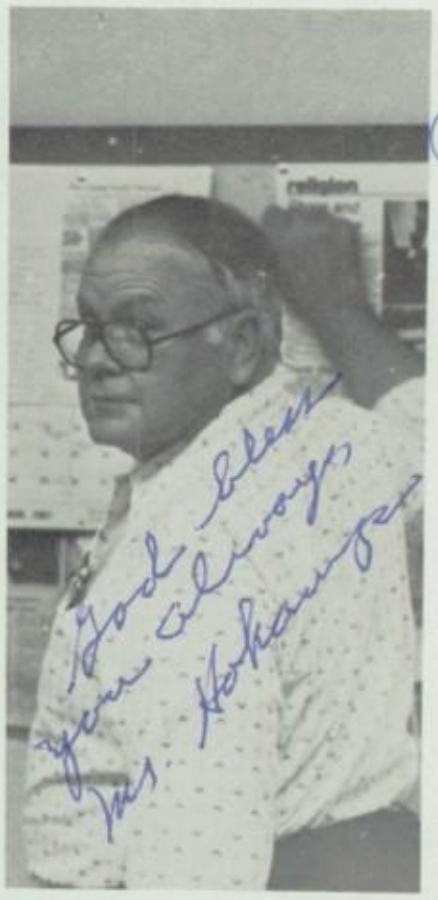
Mrs. Whitney, who teaches Special Education here at North, is new this year. She likes cooking, sewing, gardening, and refinishing old furniture. She taught Math in Washington in the early sixties, then in 1979 she started going to UMSL, where she got her Masters Degree in Special Education. From there she came to teach Special Ed. here at Lutheran North.

This years' Social Studies teachers include Mr. Vogelsmeier, who teaches Geography, Mr. McCollister, who teaches Early American History, Recent American History, and Black Heritage. The staff also includes Mr. Bullock, who teaches Modern European History, Sociology, and Introduction to Economis, and Mr. Schulze, who teaches Public Issues, Modern European History, and Ancient and Medieval Civilations.

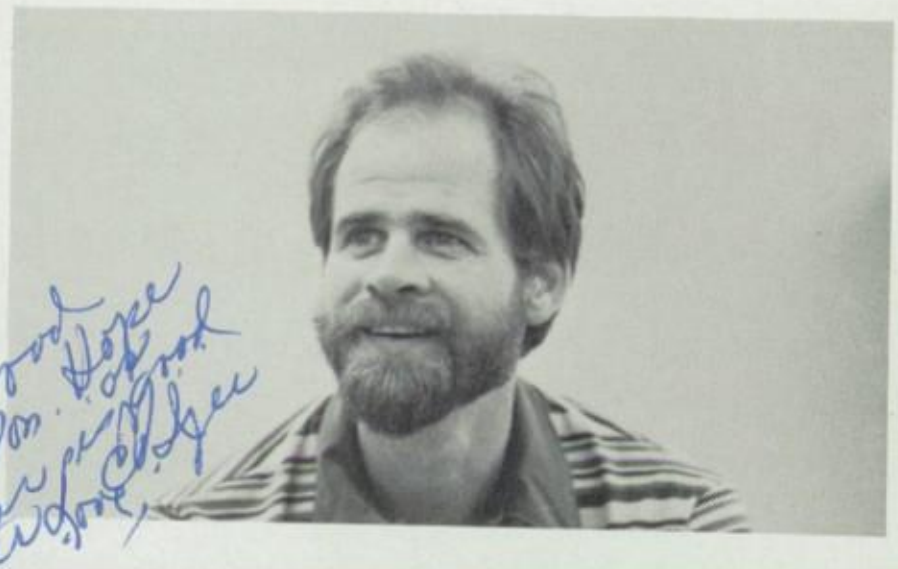


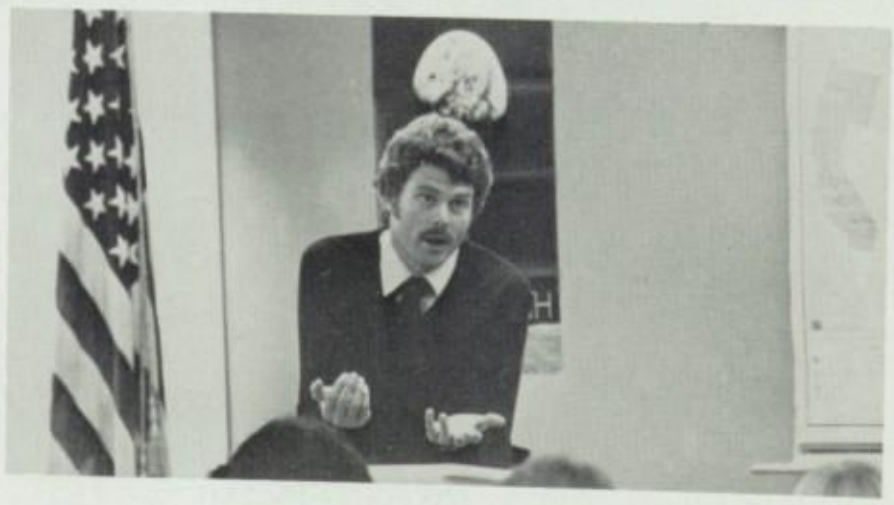
Practical Arts

Mrs. McGlokten, Mrs. Ijei, Mr. Hokamp, and Dave Kuenzel are what make up the Practical Arts teaching staff, this year at North. Mrs. McGlokten teaches Beginning Foods, and Beginning Sewing. Mrs. Ijei teaches Typing, Shorthand, and Business Organization. Mr. Hokamp teaches Typing, Accounting, and Clerical Procedures. Dave Kuenzel teaches Shop I, Advanced Woodworking, Photography, Mechanical Drawing, and Auto Mechanics. He also is the coach of the Varsity Golf team. They all do a good job of teaching Norths' students all the different Practical Art classes.



Fine Arts





The Fine Arts Department this year is made up of three teachers. These teachers are: Mr. Steve Tirmenstein, Mr. Mark Marting, and Mr. Peter Richenburg. Mr. Tirmenstein teaches Publications Yearbook, Beginning Band, Intermediate Band, and he also teaches band classes at three neighboring grade schools, Atonement, Grace Chapel, and at River Roads. Mr. Marting teaches Mixed Chorus, Concert Choir, Music Theory, and sounds of sixteen. He also helps to coach the Track and Football teams. Mr. Richenburg teaches Art Today, Art I, and Ceramics. Mr. Richenburg also coaches the J.V. Volleyball team.

THANKS

The making of a yearbook is like assembling a giant puzzle. Many people must contribute the pieces for this puzzle and many must work to put it all together. My sincere thanks to the staff (see pg. 26.) who worked so hard to complete the book. (especially those of you who really did.) We also thank our many patrons, sponsors and advertisers, who provide nearly half of our production cost. We greatly appreciate and need your support. I would also like to thank and acknowledge Westrich Studios, Dave Kuenzel, and La Dale George for their photographic assistance. And a special thanks to Jim Combs and Josten's American Yearbook Co. for the work and concern shown our production.

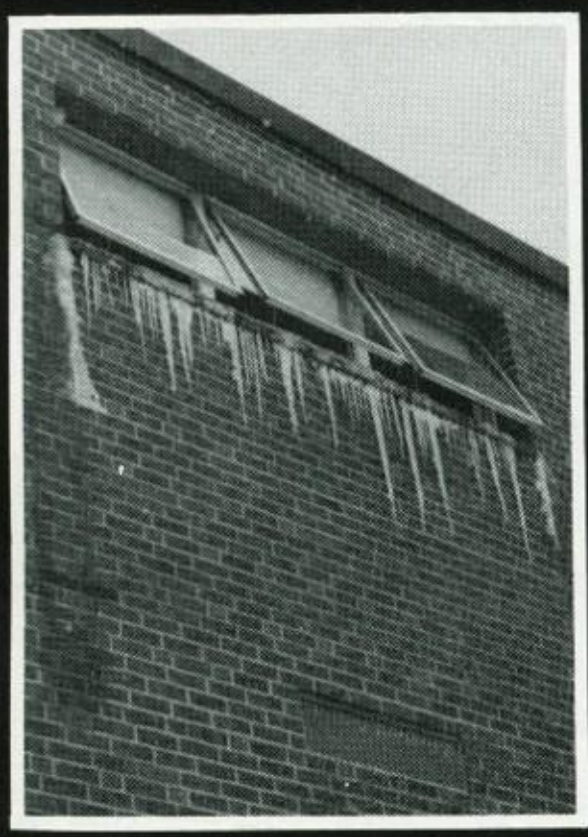
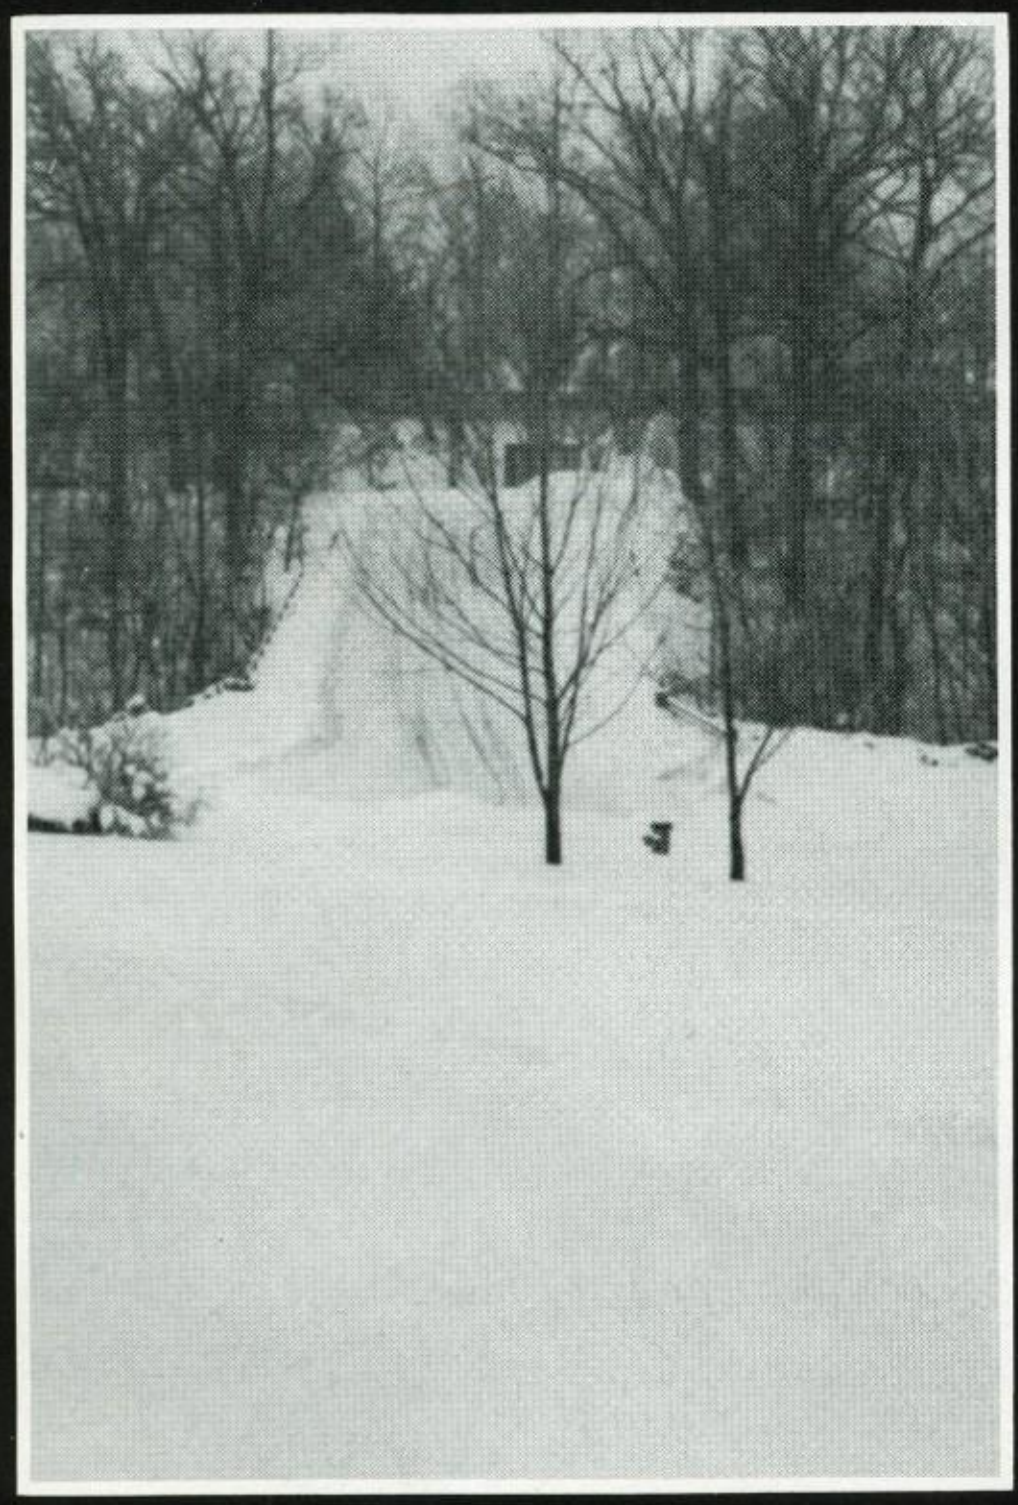
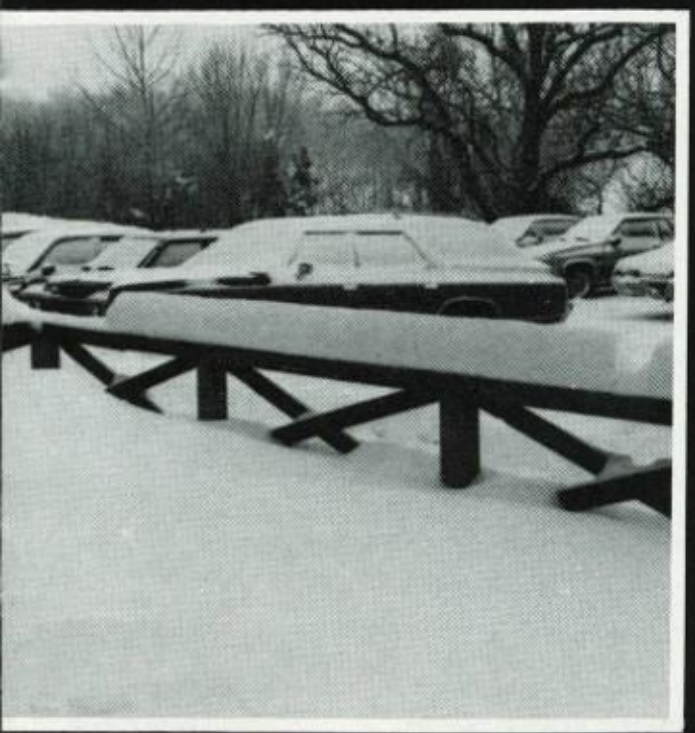
NORTH K.9.'D

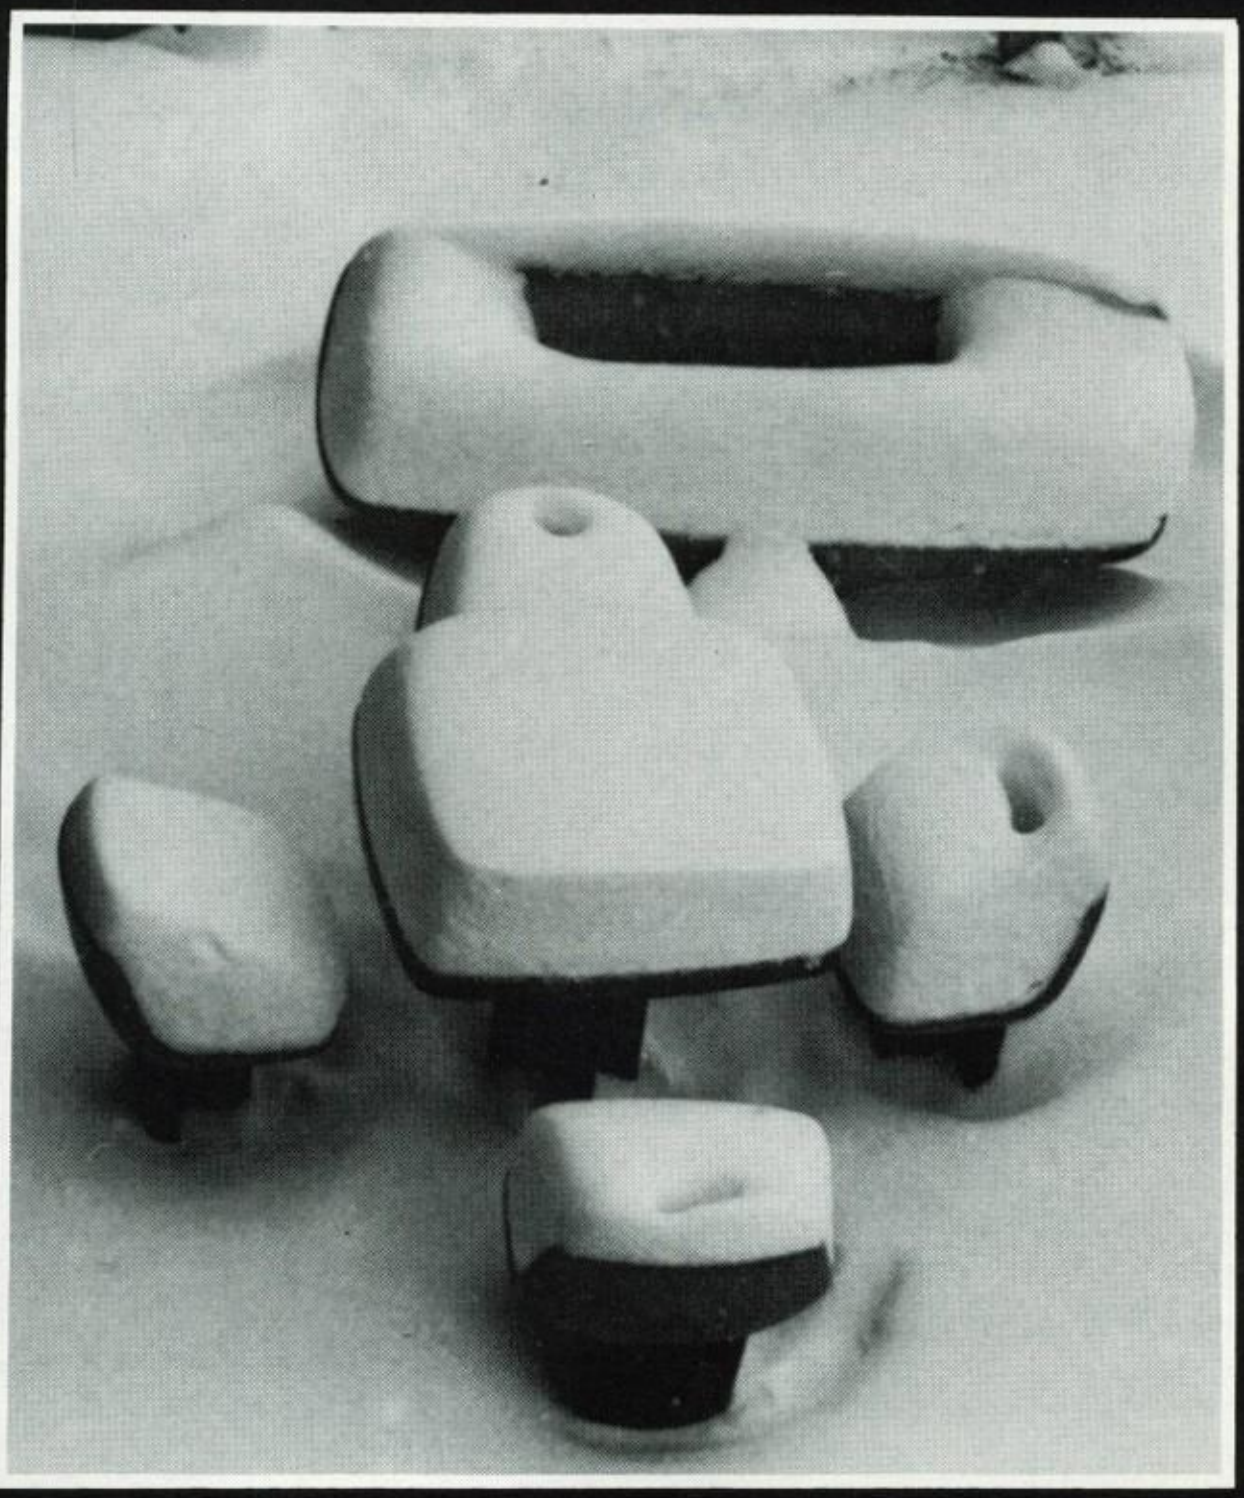




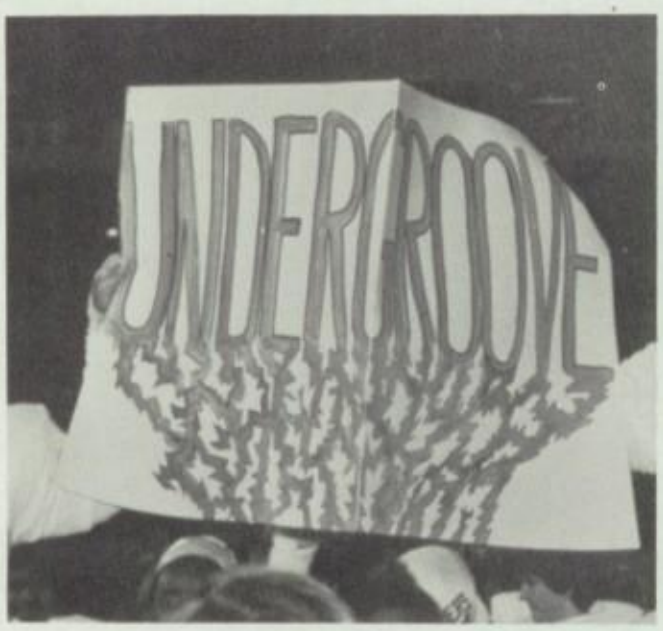
BY SNOW!

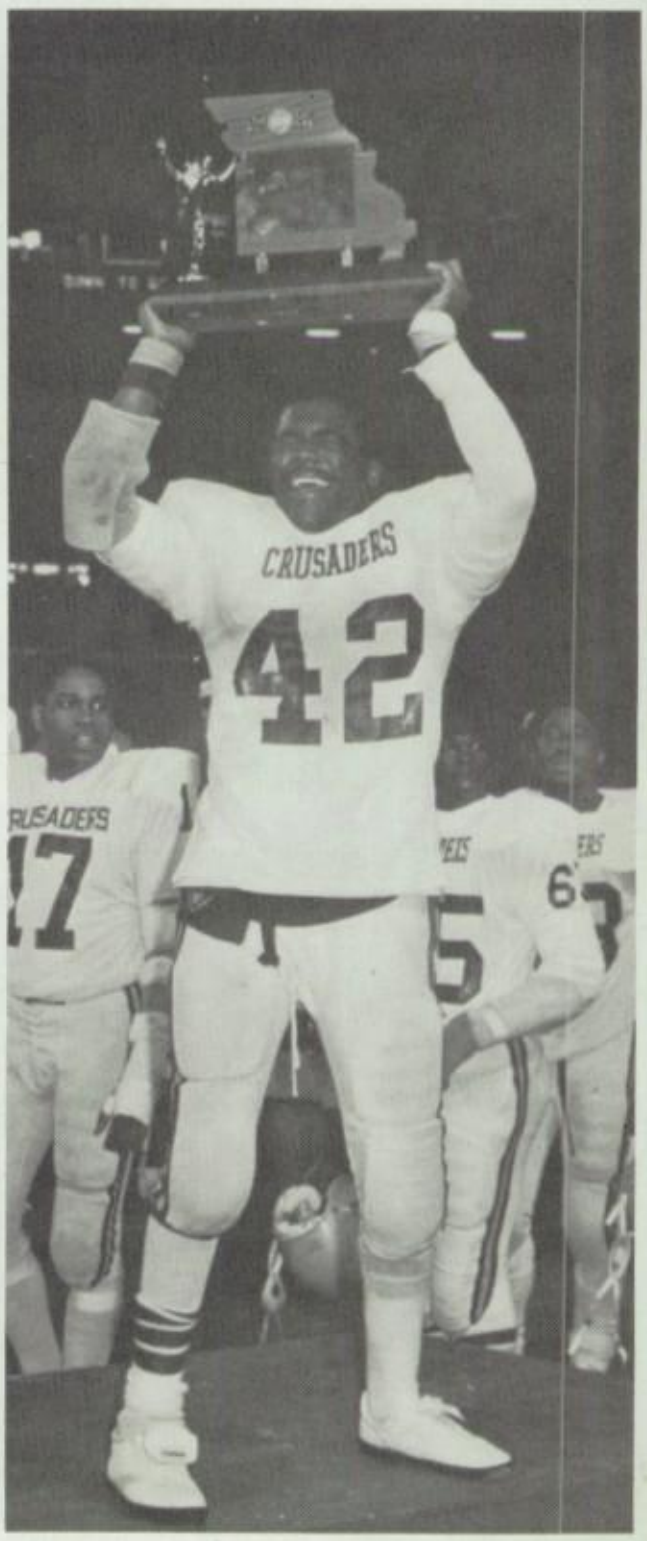
The winter of 81-82 will long be remembered by North students. A record snow fall hit the St. Louis area on Sat. Jan. 30th covering the city with over a foot of snow. Students anxiously awaited the words of the radio announcer. "Lutheran North, Cancelled". Nearly a week of school was lost to snow days. Games and meetings. had to be rescheduled. And everyone got a taste of what it's like to be K.O.'D by Snow.



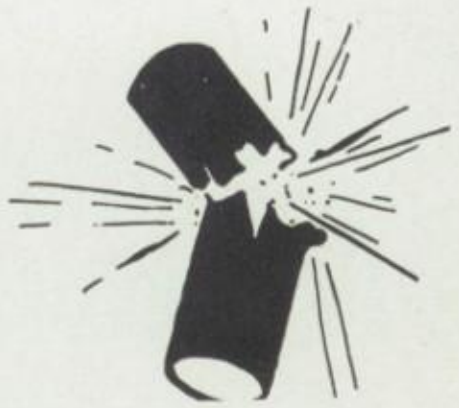


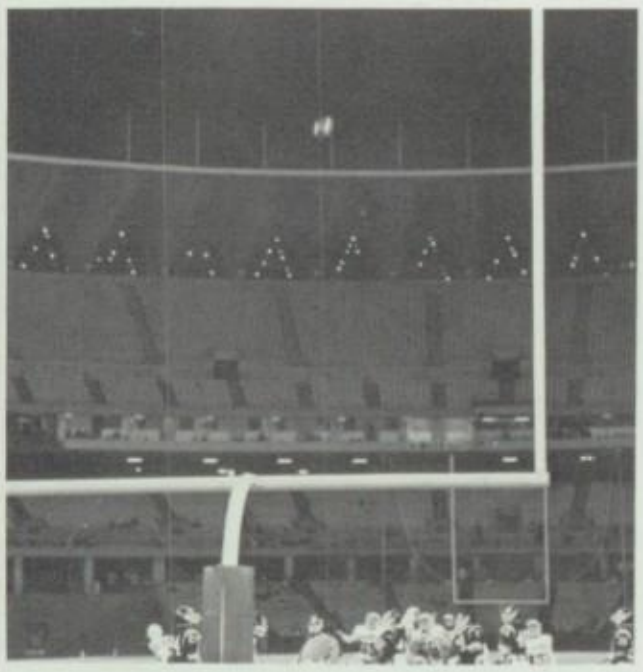
DON'T MESS

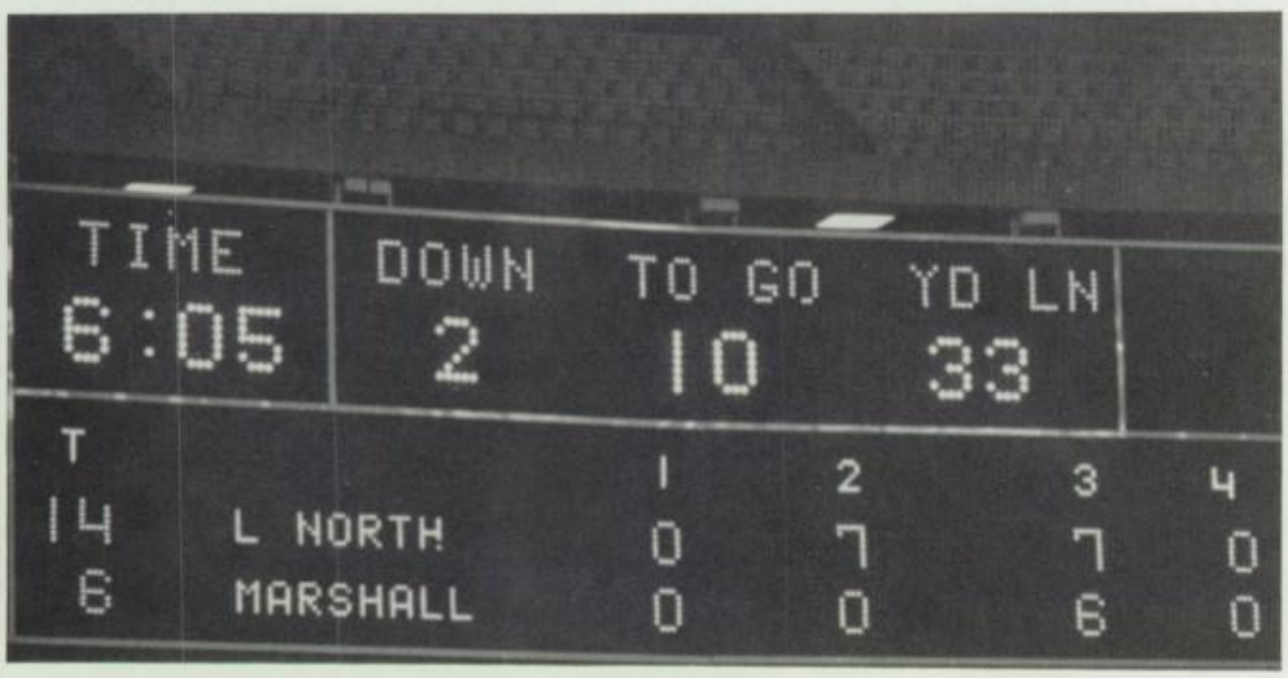




WITH DYNAMITE







The 1982 football State playoffs will probably be reflected upon by North students the rest of their lives. And although the details may grow fuzzy, the memory of actually becoming #1 will remain clear and unblemished.

By the time the playoffs began, the team had developed a strong defense balanced by a big play offense. These were to become the keys to victory as the last three games were low scoring contests with narrow margins of victory.

The biggest scare came down in Hillsbourrough on a cold slippery field. A Grubbs field goal in the closing minutes gave North a 10-7 victory.

Jackson also found North's defense too tough and their many fans went home disappointed with a 14-6 defeat.

Then on to the Show Me Bowl and Busch Stadium. Again the defense dominated. And although Marshal struggled back to make it a close game, North was not to be denied its first even state championship with a 14-6 victory.

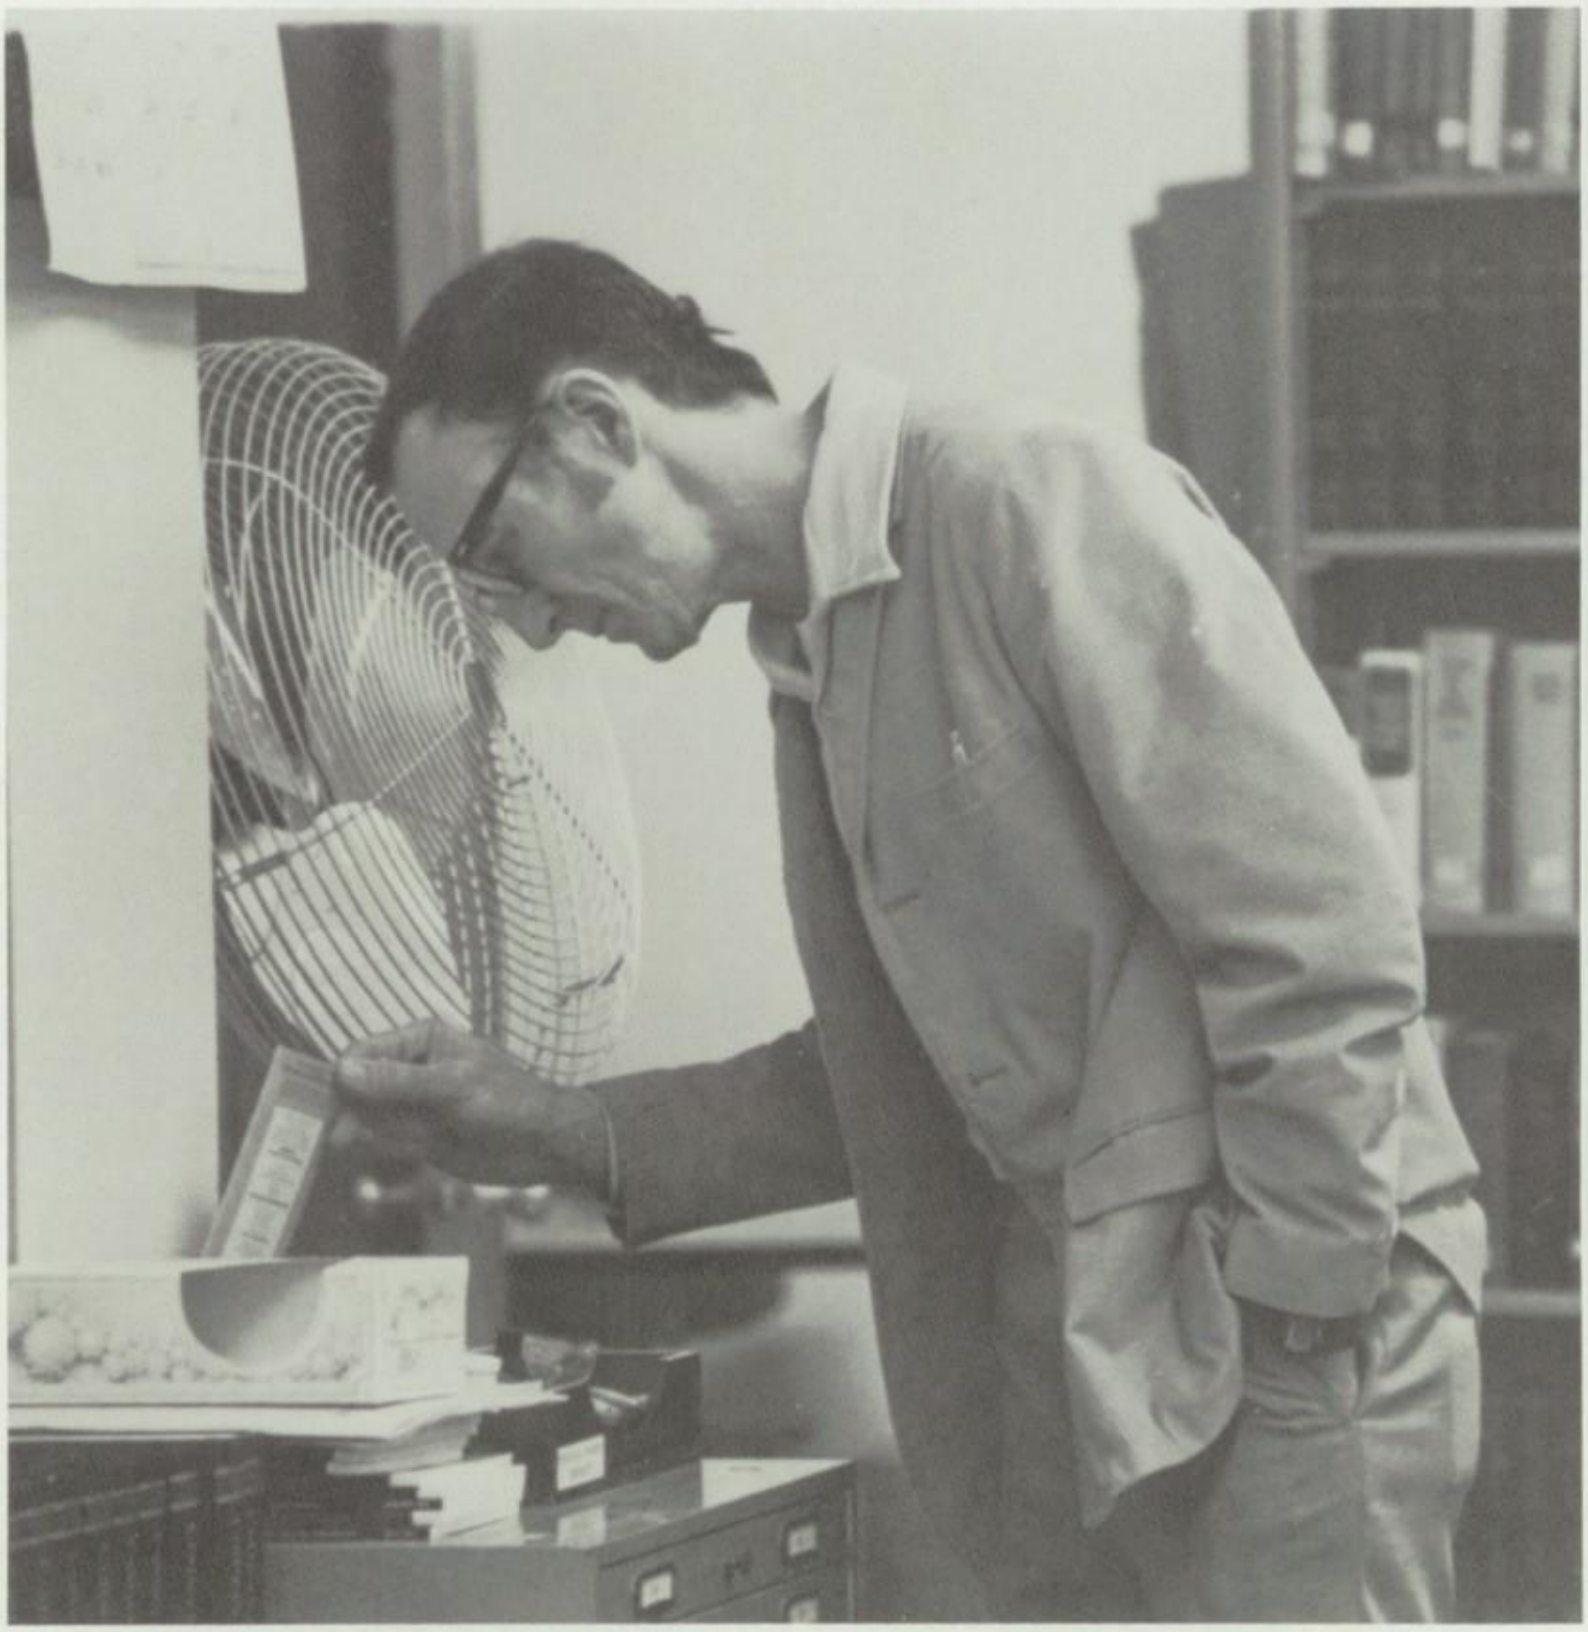
Dedication

John Hoyer



This year's Yearbook is dedicated to Mr. John Hoyer. For the past 23 years Mr. Hoyer has served the Lutheran Association of Higher Education teaching at both Central and North. His efforts in promoting North's Thespian Troupe 1042 are well known as is his resonate voice often heard announcing those hard to pronounce composers on radio station KFUO. For all the years of patience and hard work, we thank you and dedicate the 1982 Crusader to you.

Trina,
You are one of the nicest people in the class of '84 that I know. I will never forget the fun crazy times we had on drill team last year, and am very happy that you made it again. I know we'll get closer over the summer as we practice at Busch Stadium. And we'll have even more fun than last year. Stay the same way you are and you'll be sweet, cute, and one of the best people on pom-poms. (even though you're one of the best) Always remember I'm your friend.
